Constitution of Spark Infrastructure Trust

General terms

1 Declaration of Trust

1.1 Declaration of Trust

This deed poll is declared by the RE to be the constitution of the Spark Infrastructure Trust.

1.2 Name

- (a) The Trust is called the Spark Infrastructure Trust or by such other name as the RE determines from time to time¹.
- (b) If the RE retires or is removed, its successor as RE must, unless otherwise approved by the former RE, change the name of the Trust to a name that does not imply an association with the former RE or its business.

1.3 Stapling

- (a) The Stapling Provisions take effect if determined by the RE and, if so determined, apply on and from the Stapling Commencement Date unless and until they cease to apply in accordance with this constitution.
- (b) On and from the Stapling Commencement Date:
 - (i) the Stapling Provisions apply and this constitution is to be read subject to the Stapling Provisions;
 - (ii) subject to article 26, the Stapling Provisions prevail over all other provisions of this constitution including any that are expressed to prevail over others, except where this would result in a breach of the Corporations Act, the Listing Rules or any other law; and
 - (iii) without limiting article 1.3(b)(ii), those articles of the constitution, which by their meaning and context apply only while Units are not Stapled do not apply while Units are Officially Quoted as part of a Stapled Security, including without limitation:
 - (A) articles 4.3 - 4.11;
 - (B) article 6;
 - (C) none of article 8 except articles 8.17, 8.18 and 8.19; and
 - (D) article 10.13.

¹ See Corporations Regulation 5C.1.02

2 Assets held on trust

2.1 Assets held on trust

The RE must hold the Assets on trust for Members².

2.2 Assets vest in RE

The Assets vest in the RE, but must be clearly identified as property of the Trust and held separately from the assets of the RE and any other managed investment scheme if and to the extent that the Corporations Act so requires³. Subject to law, the RE may have assets held by the Custodian.

3 Relevant Securities

3.1 Beneficial interest divided into Units

The beneficial interest in the Trust is divided into Units.

3.2 Units confer equal undivided interest

Subject to any special rights conferred upon the Units in a Class, each Fully Paid Unit confers an equal undivided interest and, unless this constitution states otherwise, a Partly Paid Unit confers an interest of the same nature which is proportionate according to the amount paid up on the Unit.

3.3 Interest in Assets

- (a) A Unit confers an interest in the Assets as a whole, subject to the Liabilities.
- (b) A Unit does not confer an interest in a particular Asset.
- (c) A Unit confers a vested and indefeasible interest to Distributable Income and the capital of the Trust and for avoidance of doubt the process of disposal of a Defaulted Unit set out in article 4 does not defeat this interest.

3.4 Power to issue Units

The RE may issue Units on such terms and conditions as the RE determines consistently with this constitution, the Corporations Act and the Listing Rules.

3.5 Income entitlement of Units

- (a) The RE may in its discretion issue Units on terms that such Units:
 - (i) participate fully for Distributable Income of the Trust in respect of the Distribution Period in which they are issued; or

² See section 601FC(2) of the Corporations Act

³ See section 601FC(1)(i)

- (ii) do not entitle the holder of such Units to receive a distribution of Distributable Income of the Trust in respect of the Distribution Period in which such Units are issued; or
- (iii) entitle the holder of such Units to receive a distribution of Distributable Income of the Trust in respect of the Distribution Period in which such Units are issued which is not greater than the proportion of the Distributable Income of the Trust to which a Member holding a Unit during the whole of that Distribution Period is entitled, multiplied by the number of days from the date of allotment of those Units to the end of that Distribution Period divided by the total number of days in that Distribution Period; or
- (iv) entitle the holder (including the holder of a Partly Paid Unit) to a fixed rate distribution for a period to be determined by the RE.

3.6 Creation of Options

The RE may create and issue Options on such terms and conditions as the RE determines. Options may be issued with Units or separately.

3.7 Issue of Options

Subject to this constitution, the Corporations Act (and the conditions of any applicable ASIC relief from it) and the Listing Rules, the RE may determine that Options will be issued:

- (a) for consideration or no consideration;
- (b) on the basis that the exercise price for a Unit to be issued on exercise of the Option is the price determined by the RE, provided that the exercise price is less than the price that would otherwise apply under this constitution by a percentage not exceeding 99%; and
- (c) conferring on the holder of the Option such other entitlements under this constitution as the RE determines,

and otherwise on terms and conditions and with such entitlements as determined by the RE. The terms of issue of the Option may allow the RE to buy back the Options.

3.8 Offers of Options

Subject to the Listing Rules and the Corporations Act (and the conditions of any applicable ASIC relief from it), if the RE is making an offer of Options to Members which is otherwise in proportion to their existing holdings of Units, the RE is not required to offer Options to persons whose address on the Register is in a place other than Australia.

3.9 Exercise of Options

On exercise of an Option, the holder of the Option is entitled to subscribe for and be allotted such number of Units as the terms and conditions of issue of the Option contemplate.

3.10 Rights attaching to Relevant Securities

- (a) A Member holds a Unit subject to the rights, restrictions and obligations attaching to that Unit.
- (b) The holder of an Option holds the Option subject to the terms and conditions attaching to that Option.

3.11 Fractions and rounding

- (a) Fractions of a Unit may not be issued by the RE.
- (b) Where any calculation performed under this constitution or the terms of a withdrawal offer would otherwise result in the issue or redemption of a fraction of one Unit, the number of Units to be issued or redeemed is, subject to this constitution, to be rounded down to the nearest whole Unit.
- (c) Any excess application or other money or property which results from rounding under any provision of this constitution becomes an Asset of the Trust.

3.12 Reorganisation of Relevant Securities

- (a) Subject to the Listing Rules and the Corporations Act, Relevant Securities may be consolidated, divided or converted in a ratio determined by the RE (“**Reorganisation**”)⁴. If any Unit is a Partly Paid Unit at the time of Reorganisation the unpaid amount of the Application Price and any instalment payable in respect thereof will be amended in the same ratio.
- (b) It is a term of issue of each Unit and Option (“**Relevant Securities**”), that the Unit or Option (as appropriate) may be Reorganised. Each holder by subscribing for or taking a transfer of, or otherwise acquiring a Relevant Security will be taken to have consented to Reorganisations.
- (c) To effect any Reorganisation of a Relevant Security of a Member, the Member appoints the RE as the Member’s attorney in the Member’s name and on the Member’s behalf to do all acts and things which the RE considers necessary, desirable or reasonably incidental to effect the Reorganisation of the Relevant Security.

3.13 Transfer of Relevant Securities if Officially Quoted

If the Relevant Securities are Officially Quoted, Relevant Securities may be transferred in any manner permitted by the Operating Rules of a CS Facility.

⁴ If applicable, refer Listing Rules, Chapter 7 - reorganisations of capital.

Before registration of any such transfer, the RE may require that it be provided with any documents that the rules of the uncertificated system require, or permit the RE to require, for authorisation of the registration. This article 3.13 prevails over any other provision of this constitution that may be inconsistent with it but it does not permit the RE to refuse to register a proper transfer in accordance with the Operating Rules of a CS Facility.

3.14 Transfer of Relevant Securities if not Officially Quoted

If the Relevant Securities are not Officially Quoted, the RE may refuse to record any transfer in the Register without giving any reason for the refusal.

3.15 Registration

A transfer is not effective until Registered.

3.16 Form of transfer

Subject to this constitution, Relevant Securities may be transferred in any form approved by the RE, accompanied by any evidence reasonably required by the RE to show the right of the transferor to make the transfer and (if the RE requires) presented for Registration duly stamped.

3.17 Instruments of transfer

- (a) The Trust must retain every instrument of transfer which is registered for such period as the RE determines.
- (b) If the RE refuses to Register an instrument of transfer, the instrument of transfer must be returned to the person who deposited it if demand is made within 12 months of the giving of notice of refusal to Register unless there has been an allegation of fraud concerning the instrument of transfer or the transaction to which it relates.

3.18 RE may request holding lock or refuse to register transfer

If the Relevant Securities are Officially Quoted, and if permitted to do so by the Listing Rules, the RE may:

- (a) request any applicable CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Relevant Securities from being registered on the CS Facility's sub register or registered on an issuer-sponsored sub register, as the case may be; or
- (b) refuse to Register a transfer of other Relevant Securities to which paragraph (a) does not apply.

3.19 RE must request holding lock or refuse to register transfer

The RE must:

- (a) request any applicable CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Relevant Securities from being registered on the CS Facility's sub register or registered on an issuer-sponsored sub register, as the case may be; or

- (b) refuse to register any transfer of Relevant Securities to which paragraph (a) does not apply,

if the Corporations Act or Listing Rules require the Trust to do so or the transfer is in breach of article 3.27.

3.20 Notice of holding locks and refusal to register transfer

If, in the exercise of its rights under articles 3.18 and 3.19, the RE requests application of a holding lock to prevent a transfer of Relevant Securities or refuses to Register a transfer of Relevant Securities, it must, within two months after the date on which the transfer was lodged with it, give written notice of the request or refusal to:

- (a) the holder of the Relevant Securities ;
- (b) the transferee; and
- (c) the broker lodging the transfer, if any.

Failure to give notice does not, however, invalidate the decision of the RE.

3.21 Proportional takeover offers

Notwithstanding articles 3.13 or 3.14, if offers are made under a proportional takeover bid for Units of the Trust in accordance with the Corporations Act:

- (a) articles 3.21 to 3.26 apply;
- (b) the registration of a transfer giving effect to a takeover contract resulting from acceptance of an offer made under the takeover bid is prohibited unless and until a resolution to approve the bid is passed in accordance with articles 3.22 and 3.23; and
- (c) the RE must ensure that a resolution to approve the bid is voted on in accordance with article 3.22 to 3.25 before the fourteenth day before the last day of the bid period.

3.22 Approval of takeover bids

The RE may determine whether the approving resolution is voted on:

- (a) at a meeting of persons entitled to vote on the resolution convened and conducted, subject to the provisions of article 3.24, as if it were a meeting of Members convened and conducted in accordance with this constitution and the Corporations Act with such modifications as the RE determines the circumstances require; or
- (b) by means of a postal ballot conducted in accordance with the following procedures:
 - (i) a notice of postal ballot and ballot paper must be sent to all persons entitled to vote on the resolution not less than 14 days before the date specified in the notice for closing of the postal

ballot, or such less period as the RE determines the circumstances require;

- (ii) the non-receipt of a notice of postal ballot or ballot paper by, or the accidental omission to give a notice of postal ballot or ballot paper to, a person entitled to receive them does not invalidate the postal ballot or any resolution passed under the postal ballot;
- (iii) the notice of postal ballot must contain the text of the resolution and the date for closing of the ballot and may contain any other information the RE considers appropriate;
- (iv) each ballot paper must specify the name of the person entitled to vote;
- (v) a postal ballot is only valid if the ballot paper is duly completed and:
 - (A) if the person entitled to vote is an individual, signed by the individual or a duly authorised attorney; or
 - (B) if the person entitled to vote is a corporation, executed under seal or as permitted in the Corporations Act or under the hand of a duly authorised officer or duly authorised attorney;
- (vi) a postal ballot is only valid if the ballot paper and the power of attorney or other authority, if any, under which the ballot paper is signed or a copy of that power of attorney certified as a true copy by statutory declaration is or are received by the Trust before close of business on the date specified in the notice of postal ballot for closing of all postal ballot at the office of the RE or unit registry of the Trust or at such other place as specified for that purpose in the notice of postal ballot; and
- (vii) a person may revoke a postal ballot vote by notice in writing to be received by the RE before the close of business on the date for closing of the postal ballot.

3.23 Entitlement to vote on approving resolution

- (a) The only persons entitled to vote on the approving resolution are those persons who, as at the end of the day on which the first offer under the bid was made, held bid class securities. Each person who is entitled to vote is entitled to one vote for each bid class security held by that person at that time.
- (b) Neither the bidder nor any associate of the bidder is entitled to vote on the resolution.

3.24 When approving resolution passed

If the resolution is voted on in accordance with articles 3.22 to 3.24 then it is to be taken to have been passed if the proportion that the number of votes in favour of the resolution bears to the total number of votes on the resolution is greater than one-half, and otherwise is taken to have been rejected.

3.25 If approving resolution has not been voted on

If a resolution to approve the bid has not been voted on as at the end of the day before the fourteenth day before the last day of the offer period, then a resolution to approve the bid is taken to have been passed in accordance with articles 3.22 to 3.26.

3.26 Cessation of articles 3.22 to 3.26

Articles 3.22 to 3.26 cease to have effect on the day three years after the later of their adoption or last renewal.

3.27 Restricted Securities

- (a) While the Relevant Securities are Officially Quoted and, if the Listing Rules so require, a Member may not transfer Restricted Securities during the applicable escrow period.
- (b) During a breach of the Listing Rules relating to Restricted Securities, or a breach of a Restriction Agreement, the holder of the Restricted Securities is not entitled to any distribution or voting rights in respect of the Restricted Securities.

3.28 Joint tenancy

Persons Registered jointly as the holder of a Relevant Security hold as joint tenants and not as tenants in common unless the RE otherwise agrees.

3.29 Death, legal disability of Member

- (a) If a Member dies or becomes subject to a legal disability such as bankruptcy or insanity, only the survivor (where the deceased was a joint holder) or the legal personal representative (in any other case) will be recognised as having any claim to Relevant Securities Registered in the Member's name.
- (b) A person who becomes entitled to a Relevant Security because of the death, bankruptcy, insanity or other disability of a Member is entitled to receive and may give a discharge of all money payable in respect of the Relevant Security but is not entitled to receive notices of or to attend or vote at any meeting of Members until that person is Registered as the holder of a Relevant Security.

4 Partly Paid Units

4.1 Payment of Application Price by instalments

The RE may determine at any time that any Unit to be offered for sale or subscription is to be offered on terms that the Application Price is payable by one or more instalments of such amounts and at such times as the RE determines.

4.2 Variation or waiver of terms and conditions

Subject to the Corporations Act where Partly Paid Units are offered for sale or subscription on terms and conditions determined and set out in accordance with article 4.1, those terms and conditions may be varied or compliance therewith waived only in accordance with article 23. The variation or waiver must not take effect during the currency of the offering document pursuant to which the Units were offered for sale or subscription.

4.3 Notice of instalments

The RE must give Members:

- (a) holding Partly Paid Units that are not Officially Quoted at least 3 Business Day's notice; or
- (b) holding Partly Paid Units that are Officially Quoted notice in accordance with the Listing Rules⁵,

of the time and date each instalment is due to be paid (the "First Notice").

For Partly Paid Units that are Officially Quoted:

- (c) the First Notice must contain such other information as is required by the Listing Rules; and
- (d) the RE must send a second notice to all new Members and those Members whose holding has changed since the First Notice and which must include any changes that have occurred in the information given in the First Notice because of a change in the holding.⁶

4.4 Payment of instalments

- (a) The RE may revoke or postpone the payment of an instalment.
- (b) Subject to the Listing Rules, an instalment shall be deemed to be due on the date determined by the RE.
- (c) Subject to the Listing Rules, the non-receipt of a notice that an instalment is due by, or the accidental omission to give a notice that

an instalment is due to, a Member, shall not invalidate the instalment being due.

- (d) Subject to the Corporations Act and the Listing Rules, the RE may extinguish in full or in part any liability of Members in respect of any moneys unpaid on Members' Partly Paid Units.
- (e) Subject to the Listing Rules, any instalment which, by the terms of issue of the Unit, becomes payable on issue of the Partly Paid Unit or at any date fixed by or in accordance with such terms of issue shall be deemed to be an instalment which the RE has given Members notice of in accordance with article 4.3. In the case of non-payment, all the provisions of this constitution as to payment of interest, disposal or otherwise shall apply as if such notice had been given.

4.5 Failure to pay instalments

- (a) If a Member does not pay an instalment by its due time for payment then interest is payable by the Member on the unpaid amount from (and including) the date payment was due to (but excluding) the time of payment at a rate per annum equal to BBSW plus 3%. Interest is calculated daily. Accrued interest is payable monthly. Accrued but unpaid interest will be added to the amount owing and will itself bear interest at a rate per annum equal to BBSW plus 3% until paid in full. The RE may waive payment of that interest in whole or part.
- (b) If a Member fails to pay in full any instalment due on any Partly Paid Unit on or by the day specified for payment, the RE may, during such time as the instalment or any part of the instalment remains unpaid, give a notice to that Member requiring payment of so much of the instalment as is unpaid, any interest owing under article 4.5(a) and all reasonable expenses incurred by the RE as a result of the non-payment.
- (c) The notice must specify a further time and day (not earlier than 10 days from the date of the notice) on or by which the payment as required by the notice is to be made.
- (d) The notice must also state that in the event of non payment on or by that specified time and day, the Defaulted Units will be liable to be sold.
- (e) If the Partly Paid Units are Officially Quoted, the notice must contain such other information as is required by the Listing Rules.

4.6 If requirements of any notice not complied with

If the requirements of any notice issued under article 4.5 are not complied with:

- (a) any Defaulted Unit in respect of which the notice has been given may, at any time after the date specified in the notice for payment of the amount required by the notice (and before payment of the instalment and any interest and expenses owing), be disposed of by the RE; and

- (b) subject to the Listing Rules, the Corporations Act and this constitution, all voting rights, entitlements to the distribution of income and other rights in connection with any Defaulted Unit in respect of which the notice has been given are suspended until reinstated by the RE.

4.7 Disposal of Defaulted Units

- (a) A Defaulted Unit may be sold or otherwise disposed of by the RE or its agent in accordance with article 4.6(a), at a price determined by the RE, and in accordance with the requirements of any applicable ASIC relief⁷.
- (b) Subject to the Listing Rules and any applicable ASIC relief, the RE may sell Defaulted Units which are Officially Quoted in the ordinary course on ASX.
- (c) A disposal of Defaulted Units will be on the basis that the person to whom the Unit are disposed (“**Transferee**”) is not liable to pay the call (but may be liable for all future calls).
- (d) At any time before a disposition of Defaulted Units the RE may cancel the disposition upon such terms as the RE thinks fit.
- (e) Without limiting article 4.7(a), the RE may set a reserve price at any auction at a price not exceeding the amount of the call plus any interest under article 4.7(a) and an estimate of costs and expenses of sale (“**Reserve Price**”). If the RE is unable to sell the Defaulted Units for a price not less than the Reserve Price then the RE may sell or otherwise dispose of the Defaulted Units upon such terms as the RE thinks fit. The RE is not obliged to offer Defaulted Units that have not been sold at auction to Members before disposing of them in accordance with this article 4.7(e).

4.8 Holder of Defaulted Units

The person who was registered as the holder of Defaulted Units (“Defaulting Holder”) has no claims or demands against the RE or the Trust in respect of any sale or other disposal of those Units made in accordance with this article 4 but remains liable to pay to the RE or any assignee of the RE all moneys which at the date of disposal were payable by the Defaulting Holder to the RE in respect of the Units disposed of (including interest owing under article 4.5 and expenses) but liability ceases if and when the RE or its assignee (if any) receives payment in full of all such money and, if applicable, interest in respect of the Defaulted Units. The RE may assign its rights under this article 4 to a person who underwrites the payment of the call.

4.9 Evidence of Default

A statement signed by a duly authorised officer of the RE that a Defaulted Unit has been duly disposed of on a date stated therein is

⁷ ASIC Class Order 05/26 “Constitutional provisions about the consideration to acquire interests”.

conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Defaulted Unit.

4.10 Consideration for Defaulted Units

- (a) Where a Defaulted Unit is disposed of, the RE may:
 - (i) receive the consideration, if any, given for the Defaulted Unit on the disposal; and
 - (ii) transfer the Defaulted Unit to the Transferee.
- (b) For this purpose, each Member appoints the RE as its attorney in the Member's name and on the Member's behalf to do all acts and things and execute all documents which the RE considers necessary or appropriate to effect the transfer of the Defaulted Units.
- (c) The Transferee is not obliged to ensure that any part of the money which the person has paid for the Unit is paid to the former holder of the Unit nor shall the person's title to that Unit be affected by any irregularity or invalidity in the proceedings in relation to the sale of that Unit.⁸

4.11 Deductions from consideration for Defaulted Units

- (a) The proceeds of the disposal of the Defaulted Units must be applied to pay:
 - (i) first, the expenses incurred by the RE, its agents and assignees in respect of the disposal;
 - (ii) then, any expenses necessarily incurred in respect of the sale;
 - (iii) then, the calls on the Units that are due and unpaid; and
 - (iv) then, any unpaid interest on the call and any other amounts payable.
- (b) The RE may retain the amounts so deducted, but the balance remaining (if any) must be paid to the Member whose Units were sold. If there is a certificate of title that relates to the Unit, the balance does not have to be paid until the Member delivers the certificate to the RE.

4.12 Joint holders

Joint holders of Partly Paid Units are jointly and severally liable to pay all amounts due and payable on the Partly Paid Units held by them.

⁸ ASIC Class Order 05/26

4.13 Rights and obligations attaching to a Partly Paid Unit are proportionate

Subject to the Corporations Act and the provisions of this constitution, the rights and obligations attaching to a Partly Paid Unit will be in proportion to the extent to which that Unit is paid up.

5 Classes of Units

Subject to the Corporations Act, the RE may from time to time without amending this constitution, issue Units in different Classes with different rights, obligations and restrictions attaching to them. The RE may from time to time prescribe other rights, obligations and restrictions pertaining to those Classes which are not inconsistent with the provisions of this constitution or contrary to the Corporations Act.

6 Application Price for Units⁹

6.1 Units issued on or before First Closing Date

- (a) The first Unit (“Initial Unit”) to be issued on the initial settlement of the Trust in accordance with article 21.1 will be issued at an Application Price of \$10.
- (b) Subject to article 6.1(a), all Units to be issued on or before the First Closing Date will be issued at the Application Price of \$0.23.

6.2 While Units are not Officially Quoted

While Units are not Officially Quoted the Application Price for a Unit issued in respect of an application accepted after the First Closing Date must be calculated as:

$$\frac{\text{Net Asset Value} + \text{Transaction Costs} + \text{Aggregate Unpaid Amount}}{\text{number of Units on issue}}$$

6.3 Determination of variables in article 6.2

Each of the variables in article 6.2 must be determined as at the next Valuation Time after:

- (a) the RE receives the application for Units; or
- (b) the RE receives the application money, or the property against which Units are to be issued or vested in the RE,

whichever happens later.

⁹ Required to be included by Section 601GA(1)(a)

6.4 While Units are Officially Quoted but not Stapled

- (a) Subject to article 6.4(b) or (c), while Units are Officially Quoted, the Application Price for any Unit will be equal to the Market Price for the Units.
- (b) The RE may determine a different Application Price in relation to the issue of any Units (or in relation to article 10.12, the transfer of any Units) consistently with the Corporations Act, as modified by any applicable ASIC relief, and the Listing Rules in the case of:
 - (i) offers made at substantially the same time to those persons who were Members on a date determined by the RE not being more than 20 Business Days immediately prior to the offer, where:
 - (A) all Members are offered Units at the same Application Price on a pro rata basis; and
 - (B) the Application Price is not less than 50% of the Market Price for the Units, as at the date not more than 5 Business Days prior to the date of the offer document under which the offer is made,

but subject to the Corporations Act, as modified by any applicable ASIC relief, and the Listing Rules, the RE is not required to offer Units under this article 6.4 to persons whose address on the Register is in a place other than Australia, and such other jurisdictions (if any) as the RE may determine;

- (ii) a distribution reinvestment where the Application Price is determined in accordance with article 10.12;
- (iii) Units issued upon the exercise of an Option where the Application Price is determined in accordance with article 3.7(b); and
- (iv) a placement;
- (v) a security purchase plan; and
- (vi) any of the other circumstances set out in the Corporations Act, as modified by any applicable ASIC relief.

7 Application procedure

7.1 Application form

An applicant for Units must complete a form approved by the RE if the RE so requires. The form may be transmitted electronically if approved by the RE.

7.2 Payment

Payment in a form acceptable to the RE, or a transfer of property of a kind acceptable to the RE and able to be vested in the RE or a custodian appointed by it (accompanied by a recent valuation of the property, if the RE requires), must:

- (a) accompany the application;
- (b) be received by or made available to the RE or the Custodian within such period before or after the RE receives the application form as the RE determines from time to time or as the terms of issue of the relevant Partly Paid Unit contemplate; or
- (c) comprise a reinvestment of a distribution in accordance with this constitution.

If the RE accepts a transfer of property other than cash, any costs associated with the valuation or transfer of the property must be paid by the Member either directly or by deducting them from the market value of the property before the number of Units to be issued is calculated, as the RE decides.

7.3 RE may reject

The RE may reject an application in whole or in part without giving any reason for the rejection¹⁰.

7.4 Minimum Holding

The RE may set a minimum application amount and a minimum holding and alter or waive those amounts at any time¹¹.

7.5 Issue Date

- (a) Except in the case of a reinvestment of distribution in accordance with this constitution, Units are taken to be issued when:
 - (i) the RE accepts the application; or
 - (ii) the RE receives the application money, or the property against which Units are to be issued is vested in the RE or the Custodian on behalf of the RE,whichever happens later.
- (b) Units which are issued on a reinvestment of distribution in accordance with this constitution are taken to be issued on the day the distribution is applied in payment for the Units.
- (c) The RE may hold applications without accepting them for such period as it determines and, in particular, may hold applications received prior to the First Closing Date until the First Closing Date.

¹⁰ Refer Listing Rule 10.11 if the Trust is Listed - restriction on issue of Units to related parties.

¹¹ If the Trust is Listed see "Small Holdings".

7.6 Uncleared funds

Units issued against application money paid other than in cleared funds, or in consideration of a transfer of property, are void if the funds are not subsequently cleared or the property does not vest in the RE within 1 month of receipt of the application.

8 Redemption¹²

8.1 Redemption Price

Subject to clause 21.1, a Unit must only be redeemed at a Redemption Price calculated as:

$$\frac{A - B}{C + D}$$

less in the case of a Partly Paid Unit, the amount of the Application Price which has not been paid, where:

A = Net Asset Value

B = Transaction Costs

C = number of Fully Paid Units in issue

D = Paid-up Proportion.

8.2 Determination of variables

Each of the variables in article 8.1 must be determined:

- (a) while the Trust is Liquid, as at the close of business on the day before the payment of the Redemption Price; or
- (b) while the Trust is not Liquid, at the time the withdrawal offer closes.

8.3 Rounding

The Redemption Price may be rounded down to the nearest whole cent.

8.4 While Units Officially Quoted - Member has no right to withdraw

While Units are Officially Quoted, none of the following provisions of this article 8 apply, except articles 8.17, 8.18 and 8.19.

8.5 Request for redemption

A Member may make a request for the redemption of some or all of their Units in any manner approved by the RE and, while the Trust is Liquid, the RE may (but is not required to) give effect to that request at the time and in the manner set out in this article 8.

¹² These procedures must be fair to all Members: Section 601GA(4)

8.6 While the Trust is Liquid - RE may redeem

While the Trust is Liquid, the RE may decide to satisfy a Redemption Request either in relation to all or some of the Units which are the subject of the request.

8.7 While the Trust is Liquid - time for payment of Redemption Price

While the Trust is Liquid, if the RE decides to satisfy a Redemption Request¹³ in respect of a Unit it must pay from the Assets the Redemption Price calculated in accordance with this constitution. The payment must be made within 60 days of the RE's decision.

8.8 RE not obliged to pay Redemption Price out of own funds

The RE is not obliged to pay any part of the Redemption Price out of its own funds.

8.9 Aggregate Redemption Price less than Minimum Holding amount

While the Trust is Liquid, if compliance with a Redemption Request would result in the Member holding Units with an aggregate Redemption Price which is less than the then current Minimum Holding amount, the RE may treat the Redemption Request as relating to the balance of the Member's holding.

8.10 Increase of Minimum Holding amount

While the Trust is Liquid, if the RE increases the Minimum Holding amount, the RE may after giving 30 days' notice to a Member who holds Units with an aggregate Redemption Price less than the then current Minimum Holding amount redeem that Member's holding without the need for a Redemption Request.

8.11 When Trust is not Liquid¹⁴

While the Trust is not Liquid¹⁵, a Member may withdraw from the Trust in accordance with the terms of any current withdrawal offer made by the RE which, if the Trust is a registered scheme, is in accordance with the provisions of the Corporations Act¹⁶. If there is no withdrawal offer currently open for acceptance by Members, a Member has no right to withdraw from the Trust.

8.12 RE not obliged to make a withdrawal offer

The RE is not at any time obliged to make a withdrawal offer.

¹³ There is no legal requirement to offer a right of withdrawal. When setting up a new trust the RE can choose whether or not to offer such a right. For a registered scheme, if a right is offered, it must be specified in the constitution.

¹⁴ Required to be included by Section 601GA(4)(c) if Members are to have right to withdraw

¹⁵ For definition of a liquid scheme see Section 601KA(1)

¹⁶ Refer sections 601KB to 601KE

8.13 Redemption request received before withdrawal offer

If the RE receives a Redemption Request before it makes a withdrawal offer, it may treat the request as an acceptance of the offer effective as at the time the offer is made.

8.14 Articles applicable whether or not the Trust is Liquid

Articles 8.15 and 8.16 apply whether or not the Trust is Liquid.

8.15 Sums owed to RE

The RE may deduct from the proceeds of redemption or money paid pursuant to a withdrawal offer (if applicable) any money due to it by the Member.

8.16 Transfer of Assets

The RE may transfer Assets to a Member rather than pay cash in satisfaction of all or part of a Redemption Request, pursuant to a withdrawal offer (if applicable) or in payment of a distribution. These Assets with any cash paid must be of equal value to the total amount due to the Member pursuant to the Redemption Request, withdrawal offer or distribution (based on a valuation done within one month before the date of the proposed transfer). The costs involved in transfer of these Assets must be paid by the Member or deducted from the amount due to the Member.

8.17 RE's power of compulsory redemption

Subject to the Listing Rules, while the Trust is Liquid the RE may redeem the Units of any Member without the need for a Redemption Request if the Member holds less than the Minimum Holding.

8.18 Buy-back of Units¹⁷

While the Trust is Listed, the RE may, subject to and in accordance with the Corporations Act (including the conditions of any applicable ASIC relief) and any requirements under the Listing Rules, purchase Units and cause the Units to be cancelled. No Redemption Price is payable upon cancellation of the Units.

8.19 Discretionary redemption

Subject to the Corporations Act and the Listing Rules, if the RE is not obliged to give effect to a Redemption Request, it may redeem some or all of the Units which are the subject of the request.

¹⁷ See Listing Rule 7.36

9 Valuation of Assets

9.1 RE may value

The RE may cause an Asset to be valued at any time, and must do so as and when required by the Corporations Act.¹⁸

9.2 Determination of Net Asset Value

The RE may determine Net Asset Value at any time, including more than once on each day.

9.3 Value of Assets

- (a) Subject to paragraph 9.3(b), the value of an Asset for the purpose of calculating Net Asset Value will be its Market Value.
- (b) If ASIC grants relief from the requirements of the Corporations Act to allow the RE to determine in its discretion whether an item should be recognised and the amount attributable to that particular item for the purpose of calculating Net Asset Value, then the RE may, subject to the conditions of the relief (if any) make those determinations.

10 Income and distributions to Members

10.1 RE must determine distributable income

The RE must determine the distributable income of the Trust for each Financial Year (“**Distributable Income**”) prior to the end of the relevant Financial Year. The RE may do this by way of a standing determination of principles for calculating the Distributable Income, and may change the principles from time to time.

10.2 Distributable income

If no determination is made or to the extent to which no determination is made under article 10.1 prior to the end of a Financial Year, Distributable Income for that Financial Year will be:

- (a) subject to paragraph (b), the net income of the Trust calculated in accordance with the Accounting Standards; but
- (b) not less than the amount which if distributed in cash would prevent the RE being liable to tax on the Income of the Trust for the Financial Year.

10.3 Preparation of statutory accounts

The preparation of the accounts of the Trust in accordance with the current Australian accounting standards and generally accepted accounting principles is not to be regarded as a determination of the

¹⁸ See section 601FC(j) for Scheme Operator’s obligations concerning valuation

method for calculating the Distributable Income of the Trust pursuant to article 10.1.

The RE may decide the classification of any item as being on income or capital account and the extent to which reserves or provisions need to be made.

10.4 Distribution account

The amount of Distributable Income to be distributed in respect of a Distribution Period is to be calculated in accordance with article 10.6 and may be transferred to a special account in the name of the RE or its agent and designated a distribution account. Any amount in the distribution account does not form part of the Assets but must be held by the RE, on trust for distribution among the Members entitled to that Distributable Income. Members entitled to that Distributable Income are not entitled to any income earned by the RE by investing any money standing to the credit of the distribution account pending disbursement. The RE may invest any moneys standing to the credit of the distribution account pending disbursement and the RE shall have the same powers and responsibilities in relation to the management of such moneys as it has in relation to the Assets. Income earned from the investment is deemed to be income of the Trust and must be dealt with accordingly.

10.5 Present entitlement

A person who at any time during the Financial Year is or has been a Member, is presently entitled as at midnight on the last day of the Financial Year to the Income of the Trust for the Financial Year, in the proportion that the Income Distributions made (or allocated under article 10.6) to the Member in respect of the Financial Year bear to the sum of the Income Distributions made (or allocated under article 10.6) to all persons who are or have been Members at any time during the Financial Year.

10.6 Income Distributions

Subject to the rights conferred on a Class of Units, an Income Distribution in respect of a Member means an amount calculated by the RE as follows:

- (a) subject to the terms of issue of any Units, in respect of a Distribution Period ending on a Distribution Calculation Date other than the last day of a Financial Year, an amount calculated as follows:

$$\frac{A \times C}{B}$$

where

- A is the aggregate of the number of Units held by the Member as at the close of business on the Record Date for that Distribution Period which are entitled to a full income distribution for the relevant Distribution Period plus, if the

Member holds at the close of business on the Record Date for that Distribution Period Units issued during that Distribution Period which have a proportionate income entitlement in accordance with article 3.5, the aggregate number of such Units held by that Member multiplied by the relevant proportion;

B is the aggregate of the total number of Units entitled to a full income distribution for the relevant Distribution Period plus, if Units have been issued during the relevant Distribution Period which have a proportionate income entitlement in accordance with article 3.5, the aggregate of the total number of such Units multiplied by the relevant proportion in each case calculated as at the close of business on the Record Date for that Distribution Period; and

C is an estimate of the Distributable Income for the Distribution Period calculated as if the Distribution Period were a year of income; and

(b) subject to the terms of issue of any Units, in respect of a Distribution Period ending on the last day of a Financial Year, an amount calculated as follows:

$$\frac{A \times C}{B}$$

where

A is the aggregate of the number of Units held by the Member as at the close of business on the Record Date for that Distribution Period which are entitled to a full income distribution for the relevant Distribution Period plus, if the Member holds at the close of business on the Record Date for that Distribution Period Units issued during that Distribution Period which have a proportionate income entitlement in accordance with article 3.5, the aggregate number of such Units held by that Member multiplied by the relevant proportion;

B is the aggregate of the total number of Units entitled to a full income distribution for the relevant Distribution Period plus, if Units have been issued during the relevant Distribution Period which have a proportionate income entitlement in accordance with article 3.5, the aggregate of the total number of such Units multiplied by the relevant proportion in each case calculated as at the close of business on the Record Date for that Distribution Period; and

C is the amount (if any) by which the Distributable Income for the Financial Year exceeds the aggregate of the amounts calculated for the purposes of variable C in paragraph (a) above in respect of the previous Distribution Periods of the Financial Year.

10.7 Satisfaction of present entitlement

The present entitlement of a Member to Income of the Trust for a Financial Year will be satisfied by the payment of the Income Distributions to the Member in respect of the Financial Year. Income Distributions must be paid to a Member within three months after the Distribution Calculation Date in accordance with article 10.6. The RE must have distributed all of the Distributable Income of the Trust for the Financial Year within three months after the end of the Financial Year.

10.8 Minimum distribution

The RE may transfer capital to enable distribution to Members of the minimum amount necessary to avoid the RE as trustee of the Trust becoming assessable to pay tax under the Tax Act.

10.9 Other distributions

The RE may at any time distribute any amount of capital to Members pro rata according to the number of Units held as at a time decided by the RE (including under a distribution pursuant to article 10.10) or distribute Distributable Income to Members in accordance with the proportions in article 10.6. The distribution may be in cash or by way of additional Units.

10.10 RE may permit or require reinvestment

The RE may decide whether to permit or require the Members to reinvest some or all of any distribution to acquire Units. Reinvestment may be by issue or transfer of Units to Members.

10.11 Notification of reinvestment procedures

If the RE decides to permit or require reinvestment, it must notify Members of the procedure for reinvestment and any change in the procedure.

10.12 Deemed application if reinvestment applies

If reinvestment applies, the RE is deemed to have received and accepted an application to reinvest the distribution after the deduction of any Tax which the RE is required to deduct on the date upon which the distribution is to be paid.

10.13 Application Price while Trust Listed if reinvestment applies

- (a) If reinvestment applies, while the Units in the Trust are Officially Quoted the Application Price for each additional Unit issued or transferred upon reinvestment is the average of the VWAP for Units for each of the ten Trading Days from and including the third Trading Day after the Record Date for the relevant Distribution Period (“**DRP VWAP Price**”) less such discount, if any, not exceeding 10% as the RE may determine. However, if the RE believes that the DRP VWAP Price does not provide a fair reflection of the market price of

the Units during the relevant period, an expert (independent of the RE whose identity and instructions will be determined by the RE) will determine the market price to be used in the calculation of the Application Price of each additional Unit.

- (b) If the amount to be reinvested in additional Units results in a fraction of a Unit, the money representing the fraction will be held for future reinvestment in the Trust at the next time that reinvestment is to occur.

10.14 Money held for future reinvestment

Whenever under this constitution or by law money is held on behalf of a Member for future reinvestment the money so held may in the discretion of the RE be aggregated and on each occasion on which the aggregated amount reaches the Application Price of a Unit be applied in the acquisition of a Unit by the Member.

10.15 Units issued on reinvestment

Units issued under articles 10.9 to 10.14 inclusive are to participate fully for income in respect of the Distribution Period in which they are issued.

10.16 Position on transfer of Units

Income to which a Member is entitled when a transfer or transmission of Units is Registered remains credited to the transferor.

10.17 Position on transfer of Assets

The RE may effect a distribution to Members by transferring or procuring the transfer of Assets to all Members rather than paying in cash or issuing additional Units. If the RE wishes to do so, it must effect the distribution to all Members in the same way. The Assets transferred to each Member must be of the same type, have the same rights and be fully paid. The Assets transferred may comprise solely a beneficial interest in tangible or intangible property. In each case, where Assets other than cash are to be transferred to Members (or a nominee on behalf of a Member), each Member authorises the RE:

- (a) to act as their agent to agree to obtain the Assets; and
- (b) where the Assets comprise shares or an interest in shares or interests in a company or managed investment scheme, to agree to become a member of that company or managed investment scheme.

The Assets transferred, together with any cash paid, must be of equal value to the total amount due to the Member pursuant to the distribution (based on a valuation done within one month before the date of the proposed transfer). If the RE requires, the costs involved in transfer of those Assets must be paid by the Member or deducted from the distribution due to the Member.

10.18 Deductions from Distributable Income

The RE may deduct from any Distributable Income or other distribution payable to a Member any sums of money presently payable by the Member to the RE on account of an instalment due in respect of Units or otherwise.

11 Payments

11.1 Manner of payment to Members

Money payable by the RE to a Member may be paid in any manner the RE decides.

11.2 Unpresented cheques

Cheques issued by the RE that are not presented within 6 months may be cancelled. Where a cheque which is cancelled was drawn in favour of a Member, the money is to be held by the RE for the Member or paid by the RE in accordance with the legislation relating to unclaimed money unless the RE in its discretion decides to reinvest the money in Units in which event the provisions of articles 10.9 to 10.15 will apply.

11.3 Unsuccessful transfers

Where the RE attempts to make a payment to a Member by electronic transfer of funds or any other means and the transfer is unsuccessful, the money may be held for the Member as a non-interest bearing deposit until it is claimed or required to be dealt with in accordance with applicable laws relating to unclaimed moneys.

11.4 Only whole cents to be paid

Only whole cents are to be paid, and any remaining fraction of a cent becomes an Asset.

11.5 Payment to joint Members

A payment to any one of joint Members will discharge the RE in respect of the payment.

11.6 RE may deduct amounts

The RE may deduct from any amount to be paid to a person who is or has been a Member, or received from a person who is or has been a Member:

- (a) any amount of Tax (or an estimate of it); or
- (b) any amount owed by the Member to any person which,

the RE is required or authorised to deduct in respect of that payment or receipt by law or by this constitution or which the RE considers should be conducted.

12 Powers of the RE

12.1 General powers

Subject to this constitution, the RE has all the powers in respect of the Trust that it is possible under the law to confer on a trustee as though it were the absolute owner of the Assets and acting in its personal capacity.

12.2 Contracting powers¹⁹

- (a) Without limiting the effect of article 12.1, the RE in its capacity as trustee of the Trust has power to:
- (i) incur all types of obligations and liabilities including guarantees and indemnities; and
 - (ii) enter into an arrangement with a person to underwrite the subscription or purchase of Relevant Securities on such terms as the RE determines. Unless the agreement between the RE and the underwriter expressly states the contrary, the underwriter will not be an agent or delegate of the RE.

12.3 Borrowing powers

Without limiting the effect of article 12.1 or article 12.2, the RE in its capacity as trustee of the Trust has power to borrow and raise money (whether or not on a secured basis and in any manner whatsoever including all forms of financial accommodation and/or debt facilities or instruments (including Notes), hedging arrangements and derivatives) and to grant all types of security (whether for obligations of the RE or another person).

12.4 Investment powers

- (a) Without limiting article 12.1, the RE may in its capacity as trustee of the Trust invest in, dispose of or otherwise deal with property and rights in its absolute discretion.²⁰
- (b) For the purpose of giving effect to the investment policy specified in article 12.4(a) but without limiting any other provision of this constitution the RE may:
- (i) invest the Assets in cash and cash equivalents, interests, securities or other instruments;
 - (ii) make loans or provide any other financial accommodation; and
 - (iii) enter into hedging arrangements and derivatives in connection with any actual or prospective investment of the Trust or any borrowing or raising of money by the Trust.

¹⁹ Required to be included by Section 601GA(3)

²⁰ Subject to Section 601FC(4)

12.5 Power of delegation²¹

The RE may authorise any person to act as its agent or delegate (in the case of a joint appointment, jointly and severally) to hold title to any Asset, perform any act or exercise any discretion within the RE's power, including the power to appoint in turn its own agent or delegate.

12.6 Protection and assistance for those dealing with agents and delegates

The RE may include in the authorisation provisions to protect and assist those dealing with the agent or delegate as the RE thinks fit.

12.7 Agents and delegates may be associates

The agent or delegate may be an associate of the RE.²²

12.8 Exercise of discretion

The RE may in its absolute discretion decide how and when to exercise its powers.

12.9 Registration and Listing of the Trust

Without limiting the effect of article 12.1, the RE may in its capacity as trustee of the Trust apply for registration of the Trust as a Registered Scheme and for this purpose the RE is authorised on its own behalf and on behalf of each Member to do all things necessary to effect registration.

12.10 Listing of the Trust

The RE may apply for the Trust to be Listed and Units to be Officially Quoted, and for this purpose the RE is authorised on its own behalf and on behalf of each Member to do all things necessary to effect a Listing.

13 Retirement of RE

13.1 Voluntary retirement

- (a) The RE may retire as the responsible entity of the Trust as permitted by law²³.
- (b) If permitted by law or by any relief from the Corporations Act granted by the ASIC, the RE may appoint its successor by deed.
- (c) Any replacement responsible entity must execute a deed by which it covenants to be bound by this constitution as if it had originally been a party to it.

²¹ See also Section 601FB

²² Subject to Part 5C.7

²³ See Section 601FL. The change does not take effect until the ASIC alters its records: Section 601FJ

13.2 Compulsory retirement

The RE must retire as the responsible entity of the Trust when required by law²⁴.

13.3 Release

When it retires or is removed, the RE is released from all obligations in relation to the Trust arising after the time it retires or is removed.²⁵

13.4 Retirement benefit

The RE is entitled to agree with the incoming RE to be remunerated by, or to receive a benefit from, the incoming RE in relation to:

- (a) entering into an agreement to submit a proposal for its retirement to a meeting of Members, and nominating to the Members the incoming RE as its replacement, or
- (b) its retirement as the RE,

and is not required to account to Members for such remuneration or benefit.

14 Notices to Members

14.1 Form of notices

Subject to the Corporations Act, a notice or other communication required under this constitution to be given to a Member must be given in writing (which includes a fax) or in such other manner as the RE determines, and be delivered or sent to the Member at the Member's physical or electronic address last advised to the RE for delivery of notices.

14.2 Cheques payable to Members

A cheque payable to a Member may be posted to the Member's physical address or handed to the Member or a person authorised in writing by the Member.

14.3 Joint Members

In the case of joint Members, the physical or electronic address of the Member means the physical or electronic address of the Member first named in the Register.

²⁴ See Section 601FM and 601FA.

²⁵ See section 601FR for the Scheme Operator's obligation to transfer records, etc. Section 601FS restricts this release.

14.4 Receipt of communications

A notice, cheque or other communication sent by post is taken to be received on the Business Day after it is posted and a document (other than a notice of meeting of Members) sent by fax or electronic transmission is taken to be received 1 hour after receipt by the transmitter of confirmation of transmission from the receiving fax machine or computer to which the message was transmitted. Proof of actual receipt is not required. Subject to the Corporations Act²⁶, the RE may determine²⁷ the time at which other forms of communication will be taken to be received.

15 Notices to RE

15.1 Form of notices

A notice required under this constitution to be given to the RE must be given in writing (which includes a fax), or in such other manner as the RE determines.

15.2 When notice effective

The notice is effective only at the time of receipt.

15.3 Signing of notices

The notice must bear the actual, facsimile or electronic signature of the Member or a duly authorised officer or representative of the Member unless the RE dispenses with this requirement.

16 Meetings of Members

16.1 Convening of meetings

The RE may at any time convene a meeting of Members, and must do so if the Corporations Act requires.²⁸

16.2 RE may determine

Subject to the specific provisions of this constitution relating to meetings of Members and to the Corporations Act²⁹, the RE may determine the time and place at which a meeting of Members will be convened and the manner in which the meeting will be conducted.

16.3 Notice of meeting

Notice of a meeting of Members must be given in accordance with article 14 and the Corporations Act.

²⁶ See Section 601FC(1)(d)

²⁷ See Section 252G(4)

²⁸ Refer Part 2G.4

²⁹ Refer Part 2G.4

In computing the period of notice under article 16.3, both the day on which the notice is given or taken to be given and the day of the meeting convened by it are to be disregarded.

The non-receipt of notice of a meeting or cancellation or postponement of a meeting by, or the accidental omission to give notice of a meeting or cancellation or postponement of a meeting to, a person entitled to receive notice does not invalidate any resolution passed at the meeting or at a postponed meeting or the cancellation or postponement of a meeting.

16.4 Quorum

The quorum for a meeting of Members is at least 2 Members present in person or by attorney, representative or proxy unless the Trust has only one Member who may vote on a Resolution, in which case that one Member constitutes a quorum.

An item of business may not be transacted at a meeting unless a quorum is present when the meeting proceeds to consider it. If a quorum is present at the beginning of a meeting it is taken to be present throughout the meeting unless the chairman of the meeting (on the chairman's own motion or at the instance of a Member, proxy, attorney or representative who is present) declares otherwise.

16.5 No quorum

If a quorum is not present within 15 minutes after the scheduled time for the meeting, the meeting is:

- (a) if convened on the requisition of Members - dissolved; or
- (b) otherwise - adjourned to the same day in the next week and same time and place, or to such other day, time and place as the RE decides by notice to the Members and others entitled to notice of the meeting.

At any adjourned meeting, those Members present in person or by attorney, representative or proxy constitute a quorum. If a quorum is not present within 15 minutes after the time appointed for the adjourned meeting, the meeting is dissolved.

16.6 Chairman

Subject to the Corporations Act³⁰ the RE may appoint a person to chair a meeting of Members.

16.7 Role of chairman

The chairman of a meeting of Members:

- (a) has charge of the general conduct of the meeting and of the procedures to be adopted at the meeting;

³⁰ Refer Part 2G.4 and Section 601FC(1)

- (b) may require the adoption of any procedure which is in the chairman's opinion necessary or desirable for proper and orderly debate or discussion and the proper and orderly casting or recording of votes at the general meeting; and
- (c) may, having regard where necessary to the Corporations Act, terminate discussion or debate on any matter whenever the chairman considers it necessary or desirable for the proper conduct of the meeting,

and a decision by the chairman under this article 16.7 is final.

16.8 Postponement or cancellation

The chairman has power to cancel a meeting or postpone a meeting for any reason to such place and time as the chairman thinks fit.

16.9 Notice of Cancellation or postponement of meeting

Notice of cancellation or postponement of a meeting of Members must state the reason for cancellation or postponement and be given:

- (a) to each Member individually; and
- (b) to each other person entitled to be given notice of a meeting of Members under the Corporations Act.

16.10 Contents of notice or postponement of meeting

A notice of postponement of a meeting of Members must specify:

- (a) the postponed date and time for the holding of the meeting;
- (b) a place for the holding of the meeting which may be either the same as or different from the place specified in the notice convening the meeting; and
- (c) if the meeting is to be held in two or more places, the technology that will be used to facilitate the holding of the meeting in that manner.

16.11 Number of clear days for postponement of meeting

The number of clear days from the giving of a notice postponing the holding of a meeting of Members to the date specified in that notice for the holding of the postponed meeting must not be less than the number of clear days notice of the general meeting required to be given by this constitution or the Corporations Act.

16.12 Business at postponed meeting

The only business that may be transacted at a meeting of Members the holding of which is postponed is the business specified in the notice convening the meeting.

16.13 Proxy, attorney or representative at postponed meeting

Where:

- (a) by the terms of an instrument appointing a proxy or attorney or of an appointment of a representative, a proxy or an attorney or a representative is authorised to attend and vote at a meeting of Members to be held on a specified date or at a meeting of Members to be held on or before a specified date; and
- (b) the date for holding the meeting is postponed to a date later than the date specified in the instrument of proxy, power of attorney or appointment of representative,

then, by force of this article 16.13, that later date is substituted for and applies to the exclusion of the date specified in the instrument of proxy, power of attorney or appointment of a representative unless the Member appointing the proxy, attorney or representative gives to the RE notice in writing to the contrary not less than 48 hours before the time to which the holding of the meeting has been postponed.

16.14 Proxies and voting

The provisions of the Corporations Act governing proxies and voting for meetings of members of registered schemes apply to the Trust.

16.15 Proxies containing some of the required information

The RE may determine that the appointment of a proxy is valid even if it contains only some of the information required by the Corporations Act.

16.16 Adjournment of meeting

- (a) The chairman of a meeting of Members may at any time during the meeting adjourn the meeting or any business, motion, question, resolution, debate or discussion being considered or remaining to be considered by the meeting either to a later time at the same meeting or to an adjourned meeting at any time and any place.
- (b) In exercising this discretion, the chairman may, but need not, seek the approval of the Members present. Unless required by the chairman, no vote may be taken or demanded by the Members present in respect of any adjournment.
- (c) Only unfinished business is to be transacted at a meeting resumed after an adjournment.

16.17 Notice of adjourned meeting

It is not necessary to give any notice of an adjournment or of the business to be transacted at any adjourned meeting unless a meeting is adjourned for one month or more. In that case, notice of the adjourned meeting must be given as in the case of an original meeting.

16.18 Demand for a poll

A poll may be demanded by at least 5 Members entitled to vote on the resolution, Members with at least 5% of the votes that may be cast on the resolution on a poll or by the chairman. A demand for a poll does not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.

16.19 Declaration of poll

Unless a poll is properly demanded and the demand is not withdrawn, a declaration by the chairman that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of the proceedings of the Trust, is conclusive evidence of the fact. Neither the chairman nor the minutes need state and it is not necessary to prove the number or proportion of the votes recorded in favour of or against the resolution.

16.20 Resolutions

- (a) Subject to the requirements of the Corporations Act, a resolution is taken to be carried if a simple majority of the votes cast on the resolution are in favour of it.
- (b) The RE may have an issue of Units approved or ratified by Members in accordance with the requirements of section 601GAA or another provision of the Corporations Act, as modified by any applicable ASIC relief.

16.21 Poll

- (a) If a poll is properly demanded, it must be taken in the manner and at the date and time directed by the chairman and the result of the poll is the resolution of the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a chairman or on a question of adjournment must be taken immediately.
- (c) A demand for a poll may be withdrawn.
- (d) A demand for a poll does not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.

16.22 Equality of votes - no casting vote for chairman

If there is an equality of votes, either on a show of hands or on a poll, the chairman of the meeting is not entitled to a casting vote in addition to any votes to which the chairman is entitled as a Member or proxy or attorney or representative.

16.23 Entitlement to vote

- (a) Subject to any rights or restrictions for the time being attached to any Class or Classes of Units and to this constitution:

- (i) on a show of hands, each Member present in person and each other person present as a proxy, attorney or representative of a Member has one vote; and
 - (ii) on a poll, each Member present in person has one vote for each one dollar of the value of the Units held by the Member and each person present as proxy, attorney or representative of a Member has one vote for each one dollar of the value of the Units held by the Member that the person represents.
- (b) A Member is not entitled to vote at a general meeting in respect of Units which are the subject of a current Restriction Agreement for so long as any breach of that agreement subsists.

16.24 Voting on a poll for Partly Paid Units

If a Member holds Partly Paid Units, the number of votes the Member has in respect of those Partly Paid Units on a poll is one vote for each dollar of value of the Partly Paid Units held by the Member.

16.25 Joint Members' vote

If a Unit is held jointly and more than one Member votes in respect of that Unit, only the vote of the Member whose name appears first in the Register counts.

16.26 Vote of unitholder of unsound mind

If a Member is of unsound mind or is a person whose person or estate is liable to be dealt with in any way under the law relating to mental health, then the Member's committee or trustee or any other person who properly has the management of the Member's estate may exercise any rights of the Member in relation to a meeting of Members as if the committee, trustee or other person were the Member.

16.27 Objection to voting qualification

An objection to the right of a person to attend or vote at the meeting or adjourned meeting:

- (a) may not be raised except at that meeting or adjourned meeting; and
- (b) must be referred to the chairman of the meeting, whose decision is final.

A vote not disallowed under the objection is valid for all purposes.

16.28 Validity of vote in certain circumstances

A vote cast by a person as a proxy, attorney or representative is valid notwithstanding:

- (a) the previous revocation of that person's authority by the death of the holder of the Units in respect of which the vote is cast or otherwise; or

- (b) the execution of a transfer of those Units by that holder,
- unless a notice in writing of the revocation or transfer has been received by the RE or by the chairman of the meeting before the vote is cast.

16.29 Meetings by technology

A meeting of Members or any class of Members may be held by means of such telephone, electronic or other communication facilities as permit all persons in the meeting to communicate with each other simultaneously and instantaneously and participation in such a meeting shall constitute presence in person at such meeting.

16.30 Meetings of Class or Option holders

If any meeting of the holders of a Class or of Option holders is required to be held the foregoing provisions of this article 16 will apply with any necessary amendments.

17 Rights and liabilities of RE

17.1 Holding Units

The RE and its associates may hold Units in the Trust in any capacity³¹.

17.2 Other capabilities

Subject to the Corporations Act³², nothing in this constitution restricts the RE (or its associates) from:

- (a) dealing with itself (as trustee of the Trust or in another capacity) and an associate or with any Member;
- (b) being interested in any contract or transaction with itself (as trustee of the Trust or in another capacity) and an associate or with any Member or (when acting in a capacity other than as trustee of the Trust) and retaining for its own benefit any profits or benefits derived from any such contract or transaction; or
- (c) acting in the same or a similar capacity in relation to any other managed investment scheme.

17.3 RE may rely

The RE may take and may act upon:

- (a) the opinion or advice of counsel or solicitors, whether or not instructed by the RE, in relation to the interpretation of this constitution or any other document (whether statutory or otherwise) or generally in connection with the Trust;

³¹ See Section 601FG, Section 253E and Part 5C.7

³² Refer Part 5C.7

- (b) advice, opinions, statements or information from any bankers, accountants, auditors, valuers and other persons consulted by the RE who are in each case believed by the RE in good faith to be expert in relation to the matters upon which they are consulted;
- (c) a document which the RE believes in good faith to be the original or a copy of an appointment by a Member of a person to act as their agent for any purpose connected with the Trust; and
- (d) any other document provided to the RE in connection with the Trust upon which it is reasonable for the RE to rely;

and the RE will not be liable for anything done, suffered or omitted by it in good faith in reliance upon such opinion, advice, statement, information or document.

18 Limitation of liability and indemnity in favour of RE

18.1 RE not liable except to the extent Corporations Act imposes liability

The RE is not liable in contract, tort or otherwise to Members for any loss suffered in any way relating to the Trust except to the extent that the Corporations Act imposes such liability.

18.2 Limitation on RE's liability

Subject to the Corporations Act, the liability of the RE to any person other than a Member in respect of the Trust (including in respect of any contracts entered into as trustee of the Trust or in relation to any Assets) is limited to the RE's ability to be indemnified from the Assets.

18.3 Indemnity in favour of RE

The RE is entitled to be indemnified out of the Assets for any liability incurred by it in properly performing or exercising any of its powers or duties in relation to the Trust³³.

18.4 Indemnity includes acts and omissions of an agent or delegate

To the extent permitted by the Corporations Act³⁴, the indemnity under article 18.3 includes any liability incurred as a result of any act or omission of a delegate or agent appointed by the RE.

18.5 Indemnity in addition to indemnity allowed by law

This indemnity is in addition to any indemnity allowed by law. It continues to apply after the RE retires or is removed from the office it holds in relation to the Trust.

³³ See Section 601GA(2)

³⁴ See Sections 601FB(2) and 601GA(2)

18.6 Indemnity unaffected by unrelated breach of trust

The RE may exercise any of its rights of indemnification or reimbursement out of the Assets to satisfy a liability to any creditor of the RE (as trustee of the Trust) notwithstanding that the Trust may have suffered a loss or may have diminished in value as a consequence of any unrelated act, omission or breach of trust by the RE or by any delegate or agent appointed by the RE.

19 Liability of Members

19.1 Liability limited

Subject to articles 19.2 and 19.3, the liability of a Member is limited to the amount if any which remains unpaid in relation to the Member's subscription for their Units.

19.2 Recourse limited to the Assets

In the absence of separate agreement with a Member, the recourse of the RE and any creditor is limited to the Assets.

19.3 Tax and User Pays Fees

The RE is entitled to be indemnified by a Member or former Member to the extent that the RE incurs any liability for Tax or User Pays Fees as a result of the Member's action or inaction, or as a result of an act or omission requested by the Member or former Member. The RE may redeem some or all of the Units held by a Member to satisfy any amount of money due to it by the Member.

19.4 Joint Members

Joint Members and former joint Members are jointly and severally immediately liable in respect of all payments including payments of Tax to which article 19.3 applies, and User Pays Fees.

19.5 Deficiency in the Assets

A Member need not indemnify the RE if there is a deficiency in the Assets or meet the claim of any creditor of the RE in respect of the Trust.

19.6 Restrictions on Members

Except as otherwise set out in this constitution, a Member:

- (a) must not interfere with any rights or powers of the RE under this constitution;
- (b) must not exercise a right in respect of an Asset or lodge a caveat or other notice affecting an Asset or otherwise claim any interest in an Asset; or
- (c) may not require an Asset to be transferred to the Member.

20 Remuneration and Expenses of the RE

20.1 Management Fee

- (a) Subject to the Corporations Act, the RE is entitled to be paid out of the Assets a fee in respect of each Quarter equal to the RE's reasonable estimate of its costs, in respect of the Quarter, including any fees paid to and any insurance premiums in respect of its directors and all other overheads, and whether incurred directly or indirectly by the RE, in providing its services as the RE for which it is not otherwise reimbursed pursuant to article 20.3.
- (b) This fee is to be payable from time to time upon demand by the RE. The RE may make a demand for payment for all or part of the fee at any time if it has incurred costs whether or not it has paid those costs.
- (c) The entitlement to this fee commences from the date the Trust commences and continues to the date of final distribution in accordance with article 22.3.
- (d) The RE must produce a statement within 1 month from the end of each Quarter setting out the fee for the Quarter and any amount remaining unpaid.

20.2 Waiver of fees

The RE may accept lower fees than it is entitled to receive under this constitution, or may defer payment for any period. Where payment is deferred, the fee accrues daily until paid.

20.3 Expenses

All expenses incurred by the RE in relation to the proper performance of its duties in respect of the Trust³⁵ are payable or reimbursable out of the Assets to the extent that such reimbursement is not prohibited by the Corporations Act. This includes expenses connected with:

- (a) this constitution and the formation of the Trust and registration of the Trust as a Registered Scheme;
- (b) the preparation, review, distribution and promotion of any product disclosure document, prospectus or offering memorandum in respect of Units and other promotion of the Trust;
- (c) the acquisition, disposal, insurance, custody and any other dealing with Assets;
- (d) any proposed acquisition, disposal or other dealing with an investment;
- (e) the administration or management of the Trust or its Assets and Liabilities including expenses in connection with the Register or the valuation of any Asset or the Trust as a whole;

³⁵ Refer Section 601GA(2)(b)

- (f) borrowing arrangements on behalf of the Trust or guarantees in connection with the Trust, including hedging costs;
- (g) underwriting of any subscription or purchase of Units including underwriting fees, handling fees, costs and expenses (including marketing and roadshow costs, travel and accommodation expenses and legal fees), amounts payable under indemnity or reimbursement provisions in the underwriting agreement and any amounts becoming payable in respect of any breach (other than for negligence, fraud or breach of duty) by the RE of its obligations, representations or warranties under any such underwriting agreement;

- (o) all damages, expenses, payments, legal and other costs and disbursements incurred by the RE in relation to or in connection with any claim, dispute or litigation (*Claim*) arising as a result of or in connection with any untrue representation or warranty contained in any document relating to any investment by the Trust including any project document in connection with the investment and any offering document, information memorandum or borrowing document in connection with the Trust except where the Claim arises out of the fraud or wilful default of the RE;
- (p) the compliance committee established by the RE in connection with the Trust (if any), including any fees paid to, or insurance premiums³⁶ in respect of, compliance committee members;
- (q) while there is no compliance committee, any costs and expenses associated with the board of directors of the RE carrying out the

³⁶ See Section 601JG

- (x) complying with any law, and any request or requirement of the ASIC; and
- (y) the admission of the Trust to any stock exchange, the Official Quotation of Units and compliance with the rules of such an exchange.

20.4 GST

The User Pays Fees and other fees payable by an applicant or Member and the fees payable out of the Assets to the RE under this constitution do not include any amount referable to GST. If the RE is or becomes liable to pay GST in respect of any supply under or in connection with this constitution (including, without limitation, the supply of any goods, services, rights, benefits or things), then, in addition to any fee or other amount or consideration payable to the RE in respect of the supply, the RE is entitled to be paid an additional amount on account of GST, such amount to be calculated by multiplying the fee, amount or consideration for the part of the supply which is a taxable supply for GST purposes by the prevailing rate of GST, and the RE shall be entitled to be reimbursed or indemnified for such amount of GST out of the Assets.

20.5 Input tax credits

In the event that the RE is not entitled to an input tax credit in respect of the amount of any GST charged or recovered from the RE by any person, or payable by the RE by way of reimbursement of GST referable directly or indirectly to any supply made under or in connection with this constitution, the RE is entitled to recover from the Trust by way of reimbursement an additional amount equivalent to the amount of such input tax, and the recovery of such additional amount shall comprise part of the consideration for a supply by the RE to the Trust treated as separate entities in accordance with Division 184 of the

GST Act and for the purposes of the GST Act. This does not affect the character of the payment as an exercise of the RE's right of indemnity from the Assets for other purposes of this constitution and the Corporations Act.

20.6 GST and expenses

Where an expense covered by article 20 is paid from the Assets to the RE, the payment shall comprise part of the consideration for a supply by the RE to the Trust treated as separate entities in accordance with Division 184 of the GST Act and for the purposes of the GST Act. This does not affect the character of the payment as an exercise of the RE's right of indemnity from the Assets for other purposes of this constitution and the Corporations Act.

21 Duration of the Trust

21.1 Initial settlement

The Trust commences when the Manager subscribes \$10 for one Fully Paid Unit in the Trust. The Unit issued to the Manager will be automatically redeemed for that amount upon the issue of Units under the First Offer Document.

21.2 Termination

The Trust terminates on the earliest of:

- (a) the date specified by the RE as the date of termination of the Trust in a notice given to Members; and
- (b) the date on which the Trust terminates in accordance with another provision of this constitution or by law³⁷.

21.3 Perpetuity period and restriction on issue and redemption of Units

The perpetuity period for the purposes of section 5 of the Perpetuities and Accumulations Act 1968 (Vic) is the period of 80 years from the day prior to the commencement of the Trust. Despite any other provision in this constitution, no Units may be issued or redeemed after the 80th anniversary of the day before the Trust commenced, unless that issue or redemption would not offend the rule against perpetuities or any other rule of law or equity. The specification of a perpetuity period in this article 21.3 does not require that the Trust terminate on the expiration of that period.

³⁷ See Part 5C.9 on winding up

22 Procedure on termination

22.1 Realisation of Assets

Following termination, the RE must realise the Assets. This must be completed in 180 days if practical and in any event as soon as possible after that.

22.2 Audit of winding up

If and to the extent that ASIC policy so requires, the RE must arrange for independent review or audit of the final accounts of the Trust by a registered company auditor.

22.3 Distribution following termination

The net proceeds of realisation, after making allowance for all Liabilities of the Trust (actual and anticipated) and meeting the expenses (including anticipated expenses) of the termination, must be distributed to Members in accordance with the following formula:

$$\frac{(A + X) \times B}{C} - Y$$

Where:

A = the amount remaining in the Trust after deduction of the Liabilities and expenses referred to in this article 22.3;

B = the aggregate of the number of Units held by the Member as at termination, including both Fully Paid Units and Partly Paid Units; and

C = the aggregate of the total number of Units in issue as at termination, including both Fully Paid Units and Partly Paid Units;

X = the aggregate of the amounts remaining unpaid on all Partly Paid Units in issue (if any) ; and

Y = the aggregate of the amounts remaining unpaid on all Partly Paid Units held by the Member (if any) as at termination.

If the calculation of the entitlement to distribution of capital in respect of a particular Member in accordance with the formula in this article 22.3 results in a negative dollar amount, then that Member must pay to the RE within 30 days of the date of a written request to do so that dollar amount, and the amount so required to be paid will become an Asset available for distribution on the winding up of the Trust.

The RE may distribute proceeds of realisation in instalments.

22.4 Constitution applies until date of final distribution

Subject to the Corporations Act, the provisions of this constitution continue to apply from the date of termination until the date of final

distribution under this article 22, but during that period the RE may not accept any applications for Units from a person who is not an existing Member.

23 Amendments to this constitution

26.2 Statutory requirements

- (a) If the Corporations Act or any ASIC Relief requires that this constitution contain certain provisions or if any ASIC Relief requires provisions to certain effect to be contained in this constitution in order for the ASIC Relief to apply, then those provisions:
- (i) are deemed to be incorporated into this constitution at all times at which, and to the extent to which, they are required to be included; and
 - (ii) prevail over any other provisions of this constitution to the extent of any inconsistency.
- (b) For the avoidance of any doubt, where article 26.2(a)(i) operates to deem a provision to be incorporated into this constitution, it is deemed to be incorporated as a separate and distinct provision.
- (c) Article 23 does not apply to provisions deemed by Article 26.2 to be incorporated in this constitution.

26.3 Listing Rules

While the Units are Officially Quoted:

- (a) notwithstanding anything contained in this constitution, if the Listing Rules prohibit an act being done, the act shall not be done;
- (b) nothing contained in this constitution prevents an act being done that the Listing Rules require to be done;

- (c) if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);
- (d) if the Listing Rules require this constitution to contain a provision and it does not contain such a provision, this constitution is deemed to contain that provision;

26.5 ASIC Class Order

In accordance with ASIC Class Order 98/1808 or its equivalent and for so long as it applies to the Trust, a change in the text of this constitution because of the operation of article 26.3 is not a modification of, or the repeal and replacement of, the constitution for the purposes of subsections 601GC(1) and (2) of the Corporations Act. Article 23 does not apply to changes in the text of the constitution because of the operation of article 26.3.

27 Small Holdings

27.1 Application of this article

This article 27 applies while the Units are Officially Quoted.

27.2 RE's right to sell Small Holdings

Subject to the provisions of this article 27, the RE may in its discretion from time to time sell or redeem any Units held by a Member that is a Small Holder without request by the Small Holder.

27.3 Divestment Notice

If the RE determines that a Member is a Small Holder the RE may give the Member a Divestment Notice to notify the Member:

- (a) that the Member is a Small Holder, the number of Units making up and the Market Value of the Small Holding and the date on which the Market Value was determined;
- (b) that, unless the Small Holder tells the RE that the Small Holder wishes to retain the Units making up the Small Holding before the Relevant Period lapses, the RE intends to sell the Relevant Units in accordance with this article after the end of the Relevant Period specified in the Divestment Notice;
- (c) after the end of the Relevant Period, if the Small Holder has not informed the RE that it wishes to retain the Units making up the Small Holding, the RE may for the purpose of selling the Relevant Units that are in a CS Facility holding initiate a holding adjustment to move those Units from that CS Facility holding to an Issuer Sponsored Holding or certificated holding.

If the Operating Rules of a CS Facility apply to the Relevant Units, the Divestment Notice must comply with those Operating Rules.

27.4 Relevant Period

The Relevant Period must be at least six weeks from the date the Divestment Notice was given.

27.5 Limitation on RE's right to sell

The RE will not sell or redeem the relevant Units:

- (a) before the expiry of 6 weeks from the date of the notice given under article 27.3; or
- (b) if, within the 6 weeks allowed by article 27.4:
 - (i) the Small Holder advises the RE that the Small Holder wishes to retain the Units making up the Small Holding; or
 - (ii) the market value of the Small Holding held by the Small Holder increases to at least a marketable parcel as provided in the Listing Rules.

27.6 RE can sell Relevant Units

At the end of the Relevant Period, if the Small Holder has not advised the RE that the Small Holder wishes to retain the Units making up the Small Holding, the RE is entitled to sell on-market or in any other way determined by the RE the Relevant Units of a Member who is a Small Holder.

27.7 No obligation to sell

The RE is not bound to sell any Relevant Units which it is entitled to sell under this article 27 but unless the Relevant Units are sold within 10 weeks after the end of the Relevant Period the RE's right to sell the Relevant Units under the Divestment Notice relating to those Units

lapses and it must notify the Member to whom the Divestment Notice was given accordingly.

27.8 RE as Member's attorney

To effect the sale and transfer by the RE of Relevant Units of a Member, the Member appoints the RE and each Director and Secretary of the RE jointly and severally as the Member's attorney in the Member's name and on the Member's behalf to do all acts and things which the RE considers necessary, desirable or reasonably incidental or appropriate to effect the sale or transfer of the Relevant Units and, in particular:

- (a) to initiate a Holding Adjustment to move the Relevant Units from a CS Facility holding to an Issuer Sponsored Holding or a Certificated Holding; and
- (b) to execute on behalf of the Member all deeds, instruments or other documents necessary to transfer the Relevant Units and to deliver any such deeds, instruments or other documents to the purchaser.

27.9 Conclusive evidence

A statement in writing by or on behalf of the RE under this article 27 is binding on and conclusive against (in the absence of manifest error) a Member. In particular, a statement that the Relevant Units specified in the statement have been sold in accordance with this article 27 is conclusive against all persons claiming to be entitled to the Relevant Units and discharges the purchaser from all liability in respect of the Relevant Units.

27.10 Registering the purchaser

The RE must register the purchaser of Relevant Units as the holder of the Relevant Units transferred to the purchaser under this article. The purchaser is not bound to see to the application of any money paid as consideration. The title of the purchaser to the Relevant Units transferred to the purchaser is not affected by any irregularity or invalidity in connection with the actions of the RE under this article 27.

27.11 Payment of proceeds

Subject to article 27.12, where:

- (a) Relevant Units of a Member are sold by the RE on behalf of the Member under this article; and
- (b) the certificate for the Relevant Units (unless the RE is satisfied that the certificate has been lost or destroyed or the Relevant Units are uncertificated securities) has been received by the RE,

the RE must, within 60 days of the completion of the sale, send the proceeds of sale to the Member entitled to those proceeds by sending a cheque payable to the Member through the post to the address of the Member shown in the Register, or in the case of joint holders, to the

address shown in the Register as the address of the Member whose name first appears in the Register. Payment of any money under this article is at the risk of the Member to whom it is sent.

27.12 Costs

The Trust or the purchaser of the Units making up the Small Holding must pay the costs of the sale or redemption as the RE decides.

27.13 Remedy limited to damages

The remedy of a Member to whom this article applies, in respect of the sale of the Relevant Units of that Member is expressly limited to a right of action in damages against the RE to the exclusion of any other right, remedy or relief against any other person.

27.14 Distributions and voting suspended

Unless the RE determines otherwise, the rights to receive payment of distributions and to vote attached to the Relevant Units of that Member are suspended until the Relevant Units are transferred to a new holder or that Member ceases to be a Small Holder. Any distributions that would, but for this article 27.14, have been paid to that Member must be held by the RE and paid to that Member within 60 days after the earlier of the date the Relevant Units of that Member are transferred and the date that the Relevant Units of that Member cease to be subject to a Divestment Notice.

27.15 12 month limit

If it is a requirement of the Listing Rules, the RE must not give a Small Holder more than one Divestment Notice in any 12 month period (except as contemplated by article 27.16).

27.16 Effect of takeover bid

From the date of the announcement of a takeover bid for the Units until the close of the offers made under the takeover bid, the RE's powers under this article to sell Relevant Units of a Member cease. After the close of the offers under the takeover bid, the RE may give a Divestment Notice to a Member who is a Small Holder, despite article 27.15 and the fact that it may be less than 12 months since the RE gave a Divestment Notice to that Member.

28 Registers and inspection of records

28.1 Joint tenancy

Persons Registered jointly as the holder of a Unit hold as joint tenants and not as tenants in common unless the RE otherwise agrees.

28.2 Inspection by Members

Subject to the Corporations Act, the RE may determine whether and to what extent, and at what time and places and under what conditions, the accounting records and other documents of the Trust or any of them will be open to the inspection of Members.

28.3 Right of a Member to inspect

A Member (other than the RE) does not have the right to inspect any document of the Trust except as provided by law or authorised by the RE or by the Members in general meeting.

28.4 Holding Statements

Subject to the Corporations Act, while the Trust is not admitted to an uncertified trading system, a holding statement may be issued to evidence the holding of Units.

- (d) Without limiting clause 1.3(c), to effect the Stapling of a New Attached Security to the Stapled Securities under clause 6, each Investor irrevocably appoints the Issuer as the Investor's agent and attorney in the Investor's name and on the Investor's behalf to:
- (i) agree to obtain any New Attached Security;
 - (ii) apply any distributions, redemption proceeds or other payments to obtain a New Attached Security;
 - (iii) where a New Attached Security comprises shares or an interest in shares or interests in a company or managed investment scheme, to agree to become a member of that company or managed investment scheme;
 - (iv) to do all acts and things and execute all applications, transfers, withdrawals and any other documents which the Issuer, in consultation with each Other Issuer, considers necessary, desirable or reasonably incidental to effect the Transfer of the New Attached Security to the Investor under clause 6.
- (e) Without limiting clause 1.3(c), to effect the disposal of Stapled Securities held by or on behalf of a Designated Foreign Investor under clause 8, each Designated Foreign Investor irrevocably appoints the Issuer as that Investor's agent and attorney in the Investor's name and on the Investor's behalf to:

 - (ii) do all acts and things and execute all documents under this clause 1.3 without needing further authority or approval from an Investor and may do so even if it has an interest in the outcome of such exercise.
- (h) Each Investor acknowledges and recognises that the exercise of the powers given to the Issuer under clauses 1.3(e), 1.3(f), 8 and 9 may cause individual Investors considerable disadvantage (including possible adverse financial and taxation consequences) but each Investor acknowledges that such a result is necessary to enable the requirements of clause 8 (Designated Foreign Investor) and clause 9 (Excluded US Persons) to be met.
- (i) To the fullest extent permitted by law the Issuer shall be under no liability to any Investor or any Stapled Entity and a Stapled Entity shall be under no liability to any Investor for any loss or disadvantage incurred by an Investor as a result, whether directly or indirectly, of the Issuer exercising its powers in relation to any Stapling Matter.

2 Dealings in Stapled Securities

2.1 Stapling

- (a) Subject to clause 7, on and from the Stapling Commencement Date:
 - (i) each Attached Security must be Stapled to each Other Attached Security to form a Stapled Security;
 - (ii) the Issuer must not:
 - (A) offer an Attached Security for subscription or sale unless an offer is made at the same time and to the same person for each Other Attached Security for issue or sale;
 - (B) offer an Attached Security for subscription or sale unless the terms of that offer require each offeree to subscribe for or buy each Other Attached Security;

- (C) accept an application for an Attached Security if the applicant does not at the same time apply for the Other Attached Securities or if the Other Attached Securities will not be issued to the applicant at the same time as the issue of the Attached Securities to the applicant;
 - (D) issue or sell an Attached Security to any person unless each Other Attached Security is also issued or sold to the same person at the same time;
 - (E) issue any rights or options to acquire an Attached Security unless corresponding rights or options to acquire each Other Attached Security are issued at the same time and to the same person;
 - (F) without the prior written consent of each Other Issuer, issue any Security or class of Security other than an Attached Security or any right or option to acquire any such Attached Security; and
 - (G) permit a reinvestment by Investors in an Attached Security unless at the same time the Investor acquires each Other Attached Security which when issued or acquired are Stapled to the Attached Security. The Issuer may make provisions governing the amount of the reinvested dividends/distributions to be used to subscribe for or acquire the Attached Security and the amount to be used to subscribe for or acquire the Other Attached Securities having regard to the application price of the Attached Securities.
- (b) Each Attached Security issued after the Stapling Commencement Date must be Stapled to each Other Attached Security immediately upon the date of issue of each Attached Security.

2.2 Dealings in Attached Securities

- (a) **(No Unstapling):** On and from the Stapling Commencement Date, the Issuer must not:
- (i) do any act, matter or thing (including registering any transfer of any Attached Security); or
 - (ii) refrain from doing any act, matter or thing,
- if to do so or refrain from doing so (as the case may be) would result directly or indirectly in any Attached Security no longer being Stapled to form a Stapled Security, other than in accordance with clause 7.
- (b) **(Attached Securities):** Subject to clause 7, on and from the Stapling Commencement Date, the Issuer must not:

- (i) except in relation to a redemption in full of all the Notes on issue in accordance with the Note Trust Deed, cancel, buy-back or redeem an Attached Security unless at the same time there is a corresponding cancellation, buy-back or redemption of each Other Attached Security;
- (ii) Reorganise an Attached Security unless at the same time there is a corresponding Reorganisation of each Other Attached Security;
- (iii) register any transfer of an Attached Security to any person unless each Other Attached Security is also transferred to the same person at the same time in a single instrument of transfer of Stapled Securities.

For the avoidance of doubt, clause 2.2(b)(i) does not prevent the RE from repaying all or part of the principal amount outstanding on Notes in accordance with the Note Trust Deed provided there is no redemption of Notes involved.

- (c) **(Exercise options)** The Issuer must not permit an Investor to exercise any rights or options to acquire an Attached Security unless the Investor exercises the corresponding rights or options to acquire each Other Attached Security at the same time.
- (d) **(Request for holding lock)** The Issuer must not request any applicable CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of an Attached Security from being registered on the CS Facility's sub register or registered on an issuer-sponsored sub register, as the case may be, unless a corresponding request is made in respect of each Other Attached Security.
- (e) **(Disposal)** The Issuer must not dispose of a Defaulted Attached Security unless at the same time each Other Attached Security is also disposed of in the same manner and to the same person.
- (f) **(Small Holdings)** The Issuer must not dispose of a Small Holding of an Attached Security unless at the same time the Small Holding of each Other Attached Security is also disposed of in the same manner and to the same person. A Small Holding must be disposed of in accordance with the Listing Rules and the Constituent Documents.
- (g) **(Designated Foreign Investors)** The Issuer must not dispose of, or cause the disposal of, an Attached Security of a Designated Foreign Investor unless at the same time each Other Attached Security of that Designated Foreign Investor is also disposed of in the same manner and to the same person.
- (h) **(Excluded US Persons)** The Issuer must not dispose of, or cause the disposal of, an Attached Security, which forms part of an Excluded Stapled Security of an Excluded US Person unless at the same time each Other Attached Security, which forms part of that Excluded

Stapled Security of that Excluded US Person is also disposed of in the same manner and to the same person.

- (i) **(Compliance with law):** The Issuer is not obliged to effect a buy-back, cancellation, redemption, transfer or issue or other Corporate Action in a manner inconsistent with any constitutional, contractual or fiduciary obligation or law by which it is bound, or if it does not have any necessary consent or approval.

2.3 Consistency with the Constituent Documents

The Issuer must use every reasonable endeavour to procure that each Attached Security is dealt with under the Constituent Document of their respective Stapled Entity in a manner consistent with the provisions relating to Stapled Securities in the Constituent Documents of each other Stapled Entity.

2.4 Joint quotation as Stapled Securities

Unless and until all Attached Securities are Unstapled in accordance with this schedule, the Issuer must use reasonable endeavours to ensure that each Stapled Security which is listed for quotation on ASX continues to be so listed for quotation and jointly quoted as a Stapled Security.

2.5 Joint certificates or joint holding statements

Subject to the Corporations Act, the Issuer may procure that joint certificates or joint holding statements are issued to evidence the holding of Stapled Securities comprising Attached Securities and Other Attached Securities.

2.6 Stapling and separate entities

Notwithstanding any other provision of this schedule each Stapled Entity will remain as separate legal entities and will be separately admitted to the official list of ASX notwithstanding that the Attached Securities are jointly quoted on ASX as Stapled Securities.

3 Allocation of Application Price

3.1 Application Price

- (a) Subject to article 6.1 of the Trust Constitution, all Units to be issued on or before the First Closing Date will be issued at the Application Price of \$0.23 (being the Application Price for a Stapled Security less the Application Price of the Other Attached Securities).
- (b) Subject to clause 3.1(c), while Units are Officially Quoted as part of a Stapled Security, the Application Price payable for any Unit will be the Market Price of Stapled Securities minus the Application Price of the Other Attached Securities, or the amount determined by the RE in accordance with clause 3.2.

- (c) The RE may determine a different Application Price in relation to the issue of any Units (or in relation to clause 3.3, the transfer of any Units) consistently with the Corporations Act, as modified by any applicable ASIC relief, and the Listing Rules, in the case of:
- (i) offers made at substantially the same time to those persons who were Investors on a date determined by the RE not being more than 20 Business Days immediately prior to the offer, where:
 - (A) all Investors are offered Units at the same Application Price on a pro rata basis (whether or not the right to acquire those Units is renounceable); and
 - (B) the Application Price is not less than 50% of the Market Price for the Stapled Securities minus the Application Price of the Other Attached Securities, as at the date not more than 5 Business Days prior to the date of the offer document under which the offer is made,

but subject to the Corporations Act, as modified by any applicable ASIC relief, and the Listing Rules, the RE is not required to offer Units under this clause 3.1(c) to Foreign Investors;
 - (ii) a distribution reinvestment, where the Application Price is determined in accordance with clause 3.3;
 - (iii) Units issued upon exercise of an Option, where the Application Price is determined in accordance with article 3.6(b) of the Trust Constitution;
 - (iv) a placement of Units;
 - (v) a security purchase plan; and
 - (vi) any of the other circumstances set out in the Corporations Act, as modified by any applicable ASIC relief.

3.2 Apportionment of Application Price

- (a) If a Unit is to be issued (or in relation to clause 3.3, transferred) as part of a Stapled Security and the Trust Constitution contains a provision for the calculation or determination of the Application Price for a Stapled Security but not for the Unit, the RE must determine what part of the Application Price of a Stapled Security is to represent the Application Price of a Unit for the purposes of the Trust Constitution.
- (b) Unless otherwise agreed between the RE and the Other Issuers, the Application Price for a Stapled Security (“**Stapled Security Price**”) will be allocated between the Application Price of the Unit and the Application Price of the Other Attached Securities as follows:

- (i) First, to the Application Price of any Note (or any Other Attached Security that is a debenture), being the lesser of:
 - (A) the Stapled Security Price; or
 - (B) the principal amount then outstanding on the Note (or any Other Attached Security that is a debenture) adjusted to reflect the value of any Note interest coupon for the interest period in which the Stapled Security is issued;
- (ii) Second, to the Application Price of any Unit (or any Other Attached Security that is an interest in a trust), being the lesser of:
 - (A) any balance remaining after the allocation in paragraph (i); or
 - (B) an amount which reflects the net assets (adjusted for the net market value of its investments) of the Trust (or any other Stapled Entity which is a trust) at the end of the relevant period immediately prior to the issue of the Stapled Security,

if there is more than one Stapled Entity which is a trust, then such amounts to be allocated between those trusts in the ratio that the net assets (adjusted for the net market value of its investments) of each relevant trust at the end of the relevant period immediately prior to the issue or acquisition of the Stapled Security bears to the amount of the aggregate net assets (adjusted for the net market value of their investments) of those trusts at the end of the relevant period immediately prior to the issue of the Stapled Security;

- (iii) Third, to the Application Price of any Other Attached Security, being the lesser of:
 - (A) any balance remaining after the allocation in paragraphs (i) and (ii); or
 - (B) an amount which reflects the net assets (adjusted for the net market value of their investments) of the relevant Stapled Entities at the end of the relevant period immediately prior to the issue of the Stapled Security;

such amounts to be allocated between the relevant Stapled Entities in the ratio that the net assets (adjusted for the net market value of its investments) of each relevant Stapled Entity at the end of the relevant period immediately prior to the issue of the Stapled Security bears to the amount of the aggregate net assets (adjusted for the net market value of their investments) of those Stapled Entities at the end of the

relevant period immediately prior to the issue of the Stapled Security.

- (c) Where an option to acquire a Stapled Security is issued after the Stapling Commencement Date, the allocation of the issue price of the option must be determined in the same manner as under clause 3.2(b).
- (d) The allocation of the Application Price for a Stapled Security under this clause 3.2 must be consistent for each Stapled Security issued or transferred to each Investor at the same time.

3.3 Application Price if reinvestment applies

- (a) If reinvestment applies, the aggregate of the Application Price for each additional Unit issued or transferred and the Application Price for the Other Attached Securities upon reinvestment is the average of the VWAP for Stapled Securities for each of the ten Trading Days (or such other period of not less than five Trading Days as the RE may determine), ending on the third Trading Day prior to the date scheduled for the payment of that distribution (or such other date as the RE may determine) (“**DRP VWAP Price**”) less such discount, if any, not exceeding 10% as the RE may determine. However, if the RE believes that the DRP VWAP Price does not provide a fair reflection of the market price of the Stapled Securities during the relevant period, an expert (independent of the RE whose identity and instructions will be determined by the RE) will determine the market price to be used in the calculation of the Application Price of each additional Stapled Security.
- (b) If the amount to be reinvested in additional Stapled Securities results in a fraction of a Stapled Security, the money representing the fraction will be held for future reinvestment in the Stapled Entities at the next time that reinvestment is to occur, in such proportions as the RE and the Other Issuers may determine on behalf of the relevant Investor.
- (c) Whenever money is held on behalf of an Investor for future reinvestment the money so held may in the discretion of the Issuer be aggregated and on each occasion on which the aggregated amount reaches the Application Price of a Stapled Security be applied in the subscription or transfer of a Stapled Security for the Investor.

4 Calls and disposal

4.1 Notice of instalments

- (a) Subject to the Listing Rules, Investors holding partly paid Attached Securities must be given at least 30 Business Days’ notice (but not more than 40 Business Days’ notice) of the time and date each instalment is due to be paid (“**the First Notice**”).
- (b) The First Notice must contain such other information as is required by the Listing Rules and at least 4 Business Days before the date each instalment is due to be paid, a second notice must be sent to all new

Investors and those Investors whose holding has changed since the First Notice which must include any changes that have occurred in the information given in the First Notice because of a change in the holding.

4.2 Payment of instalments

- (a) The payment of an instalment in respect of an Attached Security may be revoked or postponed by the Issuer.
- (b) Subject to the Listing Rules an instalment shall be deemed to be due on the date determined by the Issuer.
- (c) Subject to the Listing Rules the non-receipt of a notice that an instalment is due by, or the accidental omission to give a notice that an instalment is due to an Investor, shall not invalidate the instalment being due.
- (d) Subject to the Corporations Act, the Listing Rules and clause 4.1 any liability of an Investor in respect of any moneys unpaid on an Investors' partly paid Attached Securities may be extinguished in full or in part by the Issuer.
- (e) Subject to the Listing Rules any instalment which, by the terms of issue of the Attached Security, becomes payable on issue of the partly paid Attached Security or at any date fixed by or in accordance with such terms of issue shall be deemed to be an instalment of which the Investors have received notice in accordance with clause 4.1. In the case of non-payment, all the provisions of this schedule as to payment of interest, disposal or otherwise shall apply as if such notice had been given.

4.3 Failure to pay instalments

- (a) If a Investor does not pay an instalment on a partly paid Attached Security by its due time for payment then interest is payable by the Investor on the unpaid amount from (and including) the date payment was due to (but excluding) the time of payment at a rate per annum equal to BBSW plus 3%. Interest is calculated daily. Accrued interest is payable monthly. Accrued unpaid interest will be added to the amount owing and will itself bear interest at a rate per annum equal to BBSW plus 3% until paid in full. Subject to clause 4.1, payment of that interest may be waived in whole or part.
- (b) If a Investor fails to pay in full any instalment due on any partly paid Attached Security on or by the day specified for payment, subject to clause 4.1 and during such time as the instalment or any part of the instalment remains unpaid, a notice may be given to that Investor requiring payment of so much of the instalment as is unpaid, any interest owing under clause 4.3(a) and all reasonable expenses incurred by the Issuer as a result of the non-payment.
- (c) The notice must specify a further time and day (not earlier than 10 days from the date of the notice) on or by which the payment as required by the notice is to be made.

- (d) The notice must also state that in the event of non payment on or by that specified time and day, the Defaulted Stapled Securities will be liable to be sold.

4.4 If requirements of any notice not complied with

If the requirements of any notice issued under clause 4.3 are not complied with:

- (a) any partly paid Attached Security in respect of which the notice has been given (together with the Other Attached Securities) may at any time after the date specified in the notice for payment of the amount required by the notice (and before payment of the instalment and any interest and expenses owing), be disposed of by the Issuer so determining;
- (b) subject to the Listing Rules, the Corporations Act and this schedule, all voting rights, entitlements to the distribution of income and other rights in connection with any partly paid Attached Security and the Other Attached Securities in respect of which the notice has been given are suspended until reinstated by the Issuer.

4.5 Disposal of Defaulted Attached Securities

- (a) If any Defaulted Attached Security is offered for sale pursuant to this clause 4.5 then the Issuer must procure that each Other Attached Security is also offered for sale with the result that the whole Stapled Security is offered for sale.
- (b) For the avoidance of doubt Attached Securities may be sold pursuant to this clause 4 even if they are fully paid in circumstances where there is default in payment of a call on a Defaulted Attached Security.
- (c) A Defaulted Attached Security (together with the Other Attached Securities) may be disposed of by the Issuer or their agent, at a price determined by the Issuer and in accordance with any applicable ASIC relief⁴⁵.
- (d) Any offer of Defaulted Attached Securities which are to be sold pursuant to clause 4.5(c) must be accompanied by a contemporaneous and corresponding offer of the Other Attached Securities, which offer is capable of acceptance only if the recipient acquires an identical number of Defaulted Attached Securities and the Other Attached Securities.
- (e) Subject to the Listing Rules and any applicable ASIC relief⁴⁶, the Issuer or their agent may sell Defaulted Stapled Securities in the ordinary course on ASX.
- (f) The sale of Defaulted Stapled Securities will be on the basis that the person to whom the Defaulted Stapled Securities are sold (“**Transferee**”) is not liable to pay the call (but may be liable for all

⁴⁵ ASIC Instrument of Relief 05/26.

⁴⁶ ASIC Instrument of Relief 05/26.

future calls). The Issuer may assign its rights under this clause 4 to a person who underwrites the payment of the call.

- (g) At any time before a sale or disposition of Defaulted Stapled Securities the Issuer may cancel the sale or disposition upon such terms as the Issuer thinks fit.
- (h) Without limiting clause 4.5(c) the Issuer may set a reserve price for a Defaulted Stapled Security at any auction subject to and in accordance with any applicable ASIC Relief (“**Reserve Price**”).
- (i) If the Issuer or their agent are unable to sell the Defaulted Stapled Securities for a price not less than the Reserve Price then the Issuer may sell or otherwise dispose of the Defaulted Stapled Securities. The Issuer is not obliged to offer the Defaulted Stapled Securities that have not been sold at auction to Investors before disposing of the Defaulted Stapled Securities.

4.6 Evidence of Enforcement

A statement signed by a duly authorised officer of the Issuer that a Defaulted Stapled Security has been duly disposed of on a date stated therein is conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Defaulted Stapled Security.

4.7 Consideration for sold Defaulted Stapled Securities

- (a) Where a Defaulted Stapled Security is sold, the Issuer may:
 - (i) receive the consideration, if any, given for a Defaulted Stapled Security; and
 - (ii) execute a transfer of such Defaulted Stapled Security in favour of the Transferee.
- (b) Unless otherwise agreed between the RE and the Other Issuers, the amount received for a Unit upon sale of a Defaulted Stapled Security is the amount received on the sale of the Defaulted Stapled Security less the fair value for the Other Attached Securities, as determined by the RE.
- (c) Where a Defaulted Stapled Security is offered for sale under this clause 4, the obligations of the Issuer are subject to the requirements of any applicable law, the Listing Rules, any consent or other approval from any necessary authority and any other terms of the relevant Constituent Document.
- (d) The Issuer must then Register the Transferee as holder of that Stapled Security. On registration the Transferee is not obliged to ensure that any part of the money which the person has paid for the Stapled Security is paid to the former holder of the Stapled Security nor shall the person’s title to that Stapled Security be affected by any irregularity or invalidity in the proceedings in relation to the enforcement of lien or sale of that Stapled Security.

4.8 Deductions from consideration for Defaulted Attached Securities

- (a) The proceeds of the sale of a Defaulted Stapled Security must be applied to pay:
 - (i) first, the expenses incurred by the relevant Issuer, its agents and assignees in respect of the sale;
 - (ii) then, any expenses necessarily incurred in respect of the enforcement of the Issuer's rights;
 - (iii) then, the calls on the Attached Securities that are due and unpaid; and
 - (iv) then, any unpaid interest on the call and any other amounts payable.
- (b) The Issuer may retain the amounts so deducted, but the balance remaining (if any) must be paid to the Investor whose Stapled Securities were sold. If there is a certificate that relates to the Attached Security or the Other Attached Security, the balance does not have to be paid until the Investor delivers the certificate to the relevant Stapled Entity.

4.9 Holder of Defaulted Stapled Securities

- (a) The holder of a Defaulted Stapled Security which has been sold under this clause 4 ceases to be an Investor and ceases to hold a right or interest in the Stapled Entities and in particular ceases:
 - (i) be a member of each Stapled Entity that is a company or a managed investment scheme; and
 - (ii) to be a Note holder.
- (b) The former Investor has no claims or demands against the Issuer in respect of a Defaulted Stapled Security that has been sold but remains liable to pay to the Issuer or any assignee of the Issuer all moneys which at the date of sale were payable by the former Investor to the Issuer in respect of the sold Defaulted Stapled Security (including interest owing under clause 4.3 and expenses).
- (c) The former Investor's liability ceases if and when the Issuer or their assignee (if any) receive payment in full of all such money and, if applicable, interest in respect of the sold Defaulted Stapled Security.

4.10 Liability of holder of Defaulted Stapled Securities to Underwriter

Where:

- (a) the Issuer has appointed an underwriter to underwrite the payment of a call in respect of any Stapled Securities;
- (b) in discharging its obligations, the underwriter has purchased Stapled Securities at a public auction or otherwise as contemplated by the relevant underwriting agreement at a price which is more than the

Market Price of a Stapled Security (in respect of which the relevant call has been paid); and

- (c) the Issuer is liable or required to pay the underwriter in respect of each Stapled Security purchased in accordance with paragraph (b) of this clause an amount equal to the difference between the Market Price of a Stapled Security (in respect of which the relevant call has been paid) and the price paid by the underwriter for the Stapled Security,

then the former holder of the Stapled Securities that were disposed of to the underwriter is liable to the Issuer in respect of the relevant Defaulted Stapled Securities and may be sued for:

- (a) all monies payable by the Issuer to the underwriter as contemplated by paragraph (c) of this clause;
- (b) interest (as provided under this schedule); and
- (c) all costs incurred by the Issuer in procuring payment from the former Investor.

For the purposes of this clause, the *Market Price* of a Stapled Security (in respect of which the relevant call has been paid) is the weighted average price at which such Stapled Securities traded on the ASX over the five Business Days immediately preceding the day of public auction, or, if there is no such price, then the last sale price of the Stapled Security on the ASX prior to that date.

4.11 Assignment of right of action

The Issuer must ensure that where the Issuer is liable to the underwriter as contemplated by clause 4.10, the Issuer's liability to the underwriter may be satisfied by the assignment of the Issuer's right of action against the former Investor in full satisfaction of such liability of the Issuer to the underwriter.

5 Single register

Subject to the Corporations Act, a single register may be kept in which details of the holders of the Attached Securities and the Other Attached Securities are recorded.

6 Power to add New Attached Securities

- (a) Subject to clause 6(b), the Corporations Act and the Listing Rules, the Issuer may at any time determine that a Security is an Attached Security ("**New Attached Security**") and cause it to be Stapled to the Stapled Securities. A determination under this clause may be made on such terms and conditions as the Issuer considers appropriate.
- (b) A determination that a Security is a New Attached Security may only be made if:

- (i) the New Attached Security is Officially Quoted or the ASX has indicated in writing that it will grant permission for the New Attached Security to be Officially Quoted; and
 - (ii) ASX has indicated in writing that it will approve the addition of the New Attached Security to the Stapled Securities;
 - (iii) each Other Issuer (excluding the issuer of the New Attached Security) has agreed:
 - (A) to the Stapling of the New Attached Security to the Stapled Security; and
 - (B) that the Stapling of the New Attached Security is in the best interest of Investors as a whole and is consistent with the then investment objectives of the Spark Infrastructure Group; and
 - (iv) the Constituent Documents of the New Attached Security will have provisions giving effect to the Stapling (including provisions in substantially the form of this schedule);
 - (v) the issuer of the New Attached Security has agreed to enter into the Accession Deed;
 - (vi) where the New Attached Security is partly-paid, or approval from Investors is required to the transaction, approval of the members of each Stapled Entity has been obtained; and
 - (vii) the number of New Attached Securities to be allocated is identical to the number of Stapled Securities on issue.
- (c) The Issuer has power to do all things which it considers are necessary, desirable or reasonably incidental to give effect to the Stapling of the New Attached Securities to the Stapled Security under this clause 6.
- (d) A New Attached Security may be transferred to an Investor by any means and in any manner, including but not limited to any combination of issue, sale, reduction of capital, distribution in kind or transfer (“**Transfer**”)
- (e) A transfer of a New Attached Security made under this clause 6 shall be Registered in the Register as of the date title is transferred.
- (f) It is not necessary for the Issuer to receive a transfer, instrument or certificate (if any) for a New Attached Security in order for that Issuer to Register the transfer of that New Attached Security. Such transfer shall be evidenced by, and shall have full effect from, its Registration by the relevant Issuer in the Register.

7 Unstapling

7.1 Procedure for Unstapling

Subject to this clause 7, from the Stapling Commencement Date each Attached Security will remain Stapled to each other Attached Security for so long as the Stapled Securities remain on issue.

7.2 Unstapling an Attached Security

- (a) Subject to this clause, the Corporations Act, the Listing Rules and the relevant Constituent Documents, the Issuer may determine that its Attached Securities are to be Unstapled from the Stapled Security (“**Unstapled Security**”).
- (b) A determination under clause 7.2(a) may only be made if:
 - (i) ASX has indicated in writing that it will grant permission for the Unstapling of the Unstapled Security from the Stapled Security and the remaining Attached Securities will remain Officially Quoted as a Stapled Security; and
 - (ii) each Other Issuer has agreed:
 - (A) to the Unstapling of the Unstapled Security from the Stapled Security; and
 - (B) that the Unstapling of the Unstapled Security from the Stapled Security is not contrary to the interests of Investors as a whole and is consistent with the then investment objectives of the Spark Infrastructure Group; and
 - (iii) the Stapling Provisions will terminate and cease to be of any force or effect in respect of the Unstapled Security.
- (c) After the Unstapling, the references to the Unstapled Security will be removed from the Register.
- (d) If an Issuer determines that its Attached Securities are to be Unstapled under clause 7.2(a), this does not prevent the Issuer of the Unstapled Security subsequently determining that the Stapling Provisions should recommence in respect of that Unstapled Security (“**Restapling**”).

7.3 Unstapling the Stapled Securities

- (a) Subject to clause 7.3(b), the Corporations Act, the Listing Rules and the relevant Constituent Document, the Issuer must determine that the Attached Securities will be Unstapled on the occurrence of an Unstapling Event.
- (b) A determination under clause 7.3(a) may only be made if:

- (i) ASX has indicated in writing that it will grant permission for the Unstapling of the Attached Securities; and
- (ii) each Other Issuer has agreed:
 - (A) to the Unstapling of the Attached Securities;
